**Contract:** Permanent

**Hours of work:** Teachers Terms and Conditions

**Location:** Alperton, London

We are a large, mixed, 11-18 academy with over 350 students in our sixth form. Due to our increased popularity and successes, we have recently expanded our roll to 12 forms in each year group. Alperton Community School is an inclusive school with a student intake that reflects a wonderfully diverse and vibrant local community. Our students are very well behaved, work hard and are ambitious to succeed. Our most recent Ofsted inspection in July 2021 graded our school as Good "Pupils like coming to school and they enjoy their lessons"; "Pupils can focus because they feel safe"; "Leaders' expectations of all pupils are high"; "Pupils behave well in school. They focus on their learning in lessons. Pupils follow teachers' instructions and listen to one another".

Student progress at GCSE and A Level has been well above national averages for many years with disadvantaged students' outcomes closely matching their peers. Our progress 8 score was 0.82 in 2023 (well above average) with A Level progress in the top 1% of schools. We also see high numbers of our students' progress to Oxbridge and Russell Group Universities. Student attendance is excellent and the percentage of students who remain in education, employment or training are also well above national averages.

Recent awards include the 2022 Pearson "Making a Difference" Award; the school was recently shortlisted for the TES School of the Year and won the TES Maths Team of the Year.

This is an exceptional opportunity. It will offer the successful candidate a friendly, highly supportive and committed working environment within a culture of success and professional growth. The school offers excellent support for ECTs in their induction year.

SILVER AWARD

### The Role

Science is an extremely popular subject throughout the school with a large number of students progressing to our highly successful 'A' level courses. We currently have two A Level classes in Biology, two in Chemistry and two in Physics. Many of our students leave us to study Science-related subjects at Russell Group universities.

### The Person

The successful candidate will be an excellent classroom teacher who can inspire and excite students about their learning. They will have an innovative approach to developing a Science curriculum that is inclusive to all students and makes good use of ICT.

### The Benefits

Continuing Professional Development  
Employee Assistance Programme  
Cashback Health Benefits  
Cycle to Work Scheme  
Pension Scheme

**Closing Date: 15 March 2026 (23:59)**

**Assessment & Interview Date: Week commencing, 16 March 2026**

Please note, only candidates that are successful at the assessment stage will go through to the interview stage.

We Reserve the right to close the job post early if sufficient applications are received.

To apply, please visit our [vacancies page](#). Completed application forms may be emailed to; [hr@alperton.brent.sch.uk](mailto:hr@alperton.brent.sch.uk).

### Supplementary Information

Applicants who have applied for this post in the last 6 months need not apply.

We are committed to safer recruitment and safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We are an inclusive community school and encourage applications from all sections of the community.
