## About Swavesey Village College

At Swavesey Village College, we aim to provide an inspirational environment where the needs of every child are catered for and students are helped to fulfil their potential, and we look forward to welcoming you to the College.

Our 2011 Ofsted inspection reported how we are an “outstanding school in every respect”. I am delighted to say our Ofsted Inspection in June 2024 confirmed that we were judged to be an outstanding school and were rated outstanding in all categories.

Since our inspection, we have been constantly striving to improve our practice and deliver our vision of an “inspirational place to work and learn at the heart of our local community”. Our 2024 exam results were among the best in the county with over 75% of students achieving at least a grade 4 in both English and Maths. We provide a comprehensive curriculum to our students which not only includes a very strong academic offer, but also excellent vocational and technical studies, working in partnership with local employers to ensure students develop a wide range of knowledge and skills.

The focus of the school remains unchanged and is encapsulated in our value statements:

- The Pursuit of Excellence
- Valuing People
- Achievement For All
- A High Quality Learning Environment
- Extending the Boundaries of Learning

At Swavesey Village College, we believe not only in the pursuit of academic excellence but also in the vital importance of co-curricular activities to help create well rounded students. Our provision of the arts and sport has been recognised as being exemplary by the Arts Council and the Association for PE (AfPE), with the Arts Mark Gold and a Distinction Quality Mark from AfPE. We provide all our students with opportunities to lead, organise and take part in sport, arts and other areas such as science and languages. We keep the community at the heart of everything we do with a strong adult education offer and community volunteering programme for our students.

In 2011 Swavesey Village College became an Academy and established Cambridge Meridian Academies Trust, now Meridian Trust. This provides new energy to drive further improvements and to recruit, develop and retain staff.

We are thrilled to have you join our exceptional team of dedicated staff. Your expertise and passion will undoubtedly contribute to our continued success, and we welcome you aboard.

## A Brief History

Meridian Trust, formerly known as Cambridge Meridian Academies Trust (CMAT), is a values-led Trust and has risen to be one of the highest performing academy groups in the country. Our Trust was first formed as an educational trust to create a federation of schools in 2006 with a desire to provide high quality and dynamic education for everyone, right in the heart of our community. Through various government policies, our commitment to collaboration has remained consistent.

Meridian Trust was formed in 2011 to deliver more widely on that clear vision to provide high quality and dynamic education for all at the heart of the communities we serve. Our steady growth since then reflects our commitment to the communities we serve and our track record of success. The period since 2018 has seen an increase in speed of growth as many long term projects matured and our relationship with Sharnbrook Academy Federation emerged.

We are currently a family of 35 academies (including 19 primary, 3 special and 13 secondary schools). The secondary schools include a University Technology College, an Upper School, four 11-16 schools and six 11-18 schools. We also have 2 new secondary free schools in development. All within 20 miles of Cambridge and Peterborough and the main communication routes between. We merged with Cambridge Primary Education Trust to become the Meridian Trust in April 2022. In addition to operating schools, we are the home of the Cambridgeshire and Peterborough Teaching School Hub, and train more than 150 new teachers each year through Meridian Trust ITT. We retain a strong commitment to growing and supporting staff throughout their training and career development. We have a

proven track record of school improvement and transforming the lives of children and young people over the last 10 years.

Students thrive in Meridian Trust academies as a result of the implementation of our values, our successful and proven systems and our commitment to valuing people. We are among the highest performing multi-academy trusts in the country for student progress. Our academies are well-run and our staff benefit from excellent access to professional development.

Our commitment to the education system goes beyond just our own academies. We operate 'The Cambridge Partnership', one of the largest initial teacher training providers in the country which has recently merged with the SAF ITT, and 'Leadership East' these further strengthen our capacity and commitment to professional development. We also provide support through various SLAs to a number of other trusts and academies.

As a strong, regional multi-academy trust we currently operate schools across Bedfordshire, Cambridgeshire, Lincolnshire, Peterborough, and Northamptonshire. We are proud to have strong partnerships within all these communities.
