	Closing Date:	12pm 21 September 2026
	Interview Date:	Friday 25 September 2026

The Principal and Governors are seeking to appoint a teacher of Maths to support an outstanding department at the academy. This role will suit either newly or recently qualified, enthusiastic and aspirational teachers or those with excellent practice who wish to share their expertise and make a difference. The academy offers a bespoke CPD and coaching programme, which is evidence informed and grounded in the latest research.

You will be joining an established faculty of Maths which prides itself on evidence informed approach to curriculum development and implementation. All teachers within the faculty show an unwavering commitment to professional development so they can be the best for our students.

The successful candidate will be a hardworking teacher who is fully committed to being the best practitioner they can be so they can make a difference to the students at The Sutton Academy.

Applications should be made via the My New Term portal.

This post is subject to satisfactory Disclosure & Barring Service (DBS) Enhanced Disclosure Certificate. The Sutton Academy is committed to equal opportunities. We are committed to safeguarding and promoting the welfare of children and young people; we expect all staff and volunteers to share this commitment.

In line with Keeping Children Safe in Education, The Sutton Academy will undertake general online searches for all shortlisted candidates, this may include social media and video platforms. Online searches will only examine data that is publicly available, and the aim is to identify any incidents or issues. Any areas of concern will be discussed during the interview process.
