About Hathershaw College

'Together we Succeed'

The Hathershaw college, based in Oldham , serves more than 1,000 pupils aged 11-16 years across 5 year groups. We are a founding member of The Pinnacle Learning Trust, established in September 2017, and a key driver in the Trust's mission to improve the lives and chances of young people in the local area.

We are an Ofsted recognised 'good' school, committed to high standards, and celebrating the diversity and uniqueness of everyone within our community. Our inclusive environment is built upon our core values, The Three Rs: Responsible, Respectful, and Ready to Learn.

Ofsted recognises that 'leaders have developed a broad and rich curriculum' for all pupils at The Hathershaw College. Our curriculum is designed to be challenging and diverse, ensuring students leave us with a wide range of knowledge. As a former technology college, most of our students take a technology subject for GCSE and this is a very successful area of the school.

The school has a successful personal development offer and is focused on developing the character of our students. We place high value on preparing our students for future success through a comprehensive Careers Education Package that meets all the Gatsby Benchmarks. Pinnacle Learning Trust also includes the successful Oldham Sixth Form College and we benefit enormously from this link.

We are committed to the success of our staff as much as our students. As part of The Pinnacle Learning Trust, our colleagues benefit from extensive support and high quality Professional Development with the support of the **Pinnacle Research School**. Access to INSET days, weekly in-house CPD sessions, and Trust-wide training ensures that you will be learning and developing throughout your career with us. We are also an executive partner in the East Manchester Teaching School Hub, which provides access to sector-leading, evidence-based training for both teaching and support staff.

We actively seek staff feedback to ensure The Hatherhaw College remains a place where our team feels valued and supported. We are delighted that the Pinnacle Learning Trust was winner of the **MAT Excellence Award for Wellbeing Trust of the Year 2025**, and has been recognised by **EduRio for a Trust Value Award** in 2025 for the second year running.

If you are looking to make an impact on the life chances of young people, we invite you to join our team at The Hathershaw College.

The Humanities Faculty

The Humanities Faculty comprises of ten specialist teachers. We are a hard-working, forward thinking faculty with a strong sense of teamwork and mutual support. Each member of the faculty is committed to continuing to raise standards in the subjects that we teach. Our Geography curriculum model follows a three-year key stage 3 followed by two years of GCSE study. These lessons are designed to form a strong foundation in all of the subjects that we teach as well as preparing our students for life beyond school.

All students are expected to choose either History, Geography and Religious Studies at Key Stage 4, with Geography being the most popular. The successful candidate will be expected to teach AQA GCSE Geography. They will also be expected to support with the preparation of high-level lesson resources to ensure we continue to provide an engaging and challenging curriculum.

The faculty is very well resourced, occupying an entire separate block from the main school buildings. Each teacher has access to their own classroom. The College has continued to enhance the ICT resources available. All staff are provided with a laptop and all Humanities classrooms are fitted with a desk top and either a projectors or ViewSonic touchscreen TV.

We have high expectations of our students and strive to achieve the highest possible standards of achievement for all. We also believe that we play a pivotal role in improving the cultural capital of our students. Therefore, the faculty promotes student learning outside of the classroom by offering a number of trips and extra-curricular opportunities such as day trips to York, Rhyl and Liverpool. As a College and as a Faculty, we reward and celebrate student achievement at all levels of ability by means of a wide range of reward schemes. If you have a passion for providing the very best for young people, to improve their life chances, then we look forward to hearing from you.
