ACADEMY

RECRUITMENT PACK

Achieving Excellence Together

WELCOME FROM THE HEAD

Nicola Bull Headteacher

Dear Candidate,

Thank you for considering this opportunity. We are excited to offer a unique opportunity for a knowledgeable and skilled person to join our forward-thinking team at Kingsbury Green Academy, a school with ambitious goals and ever-improving outcomes. This role is perfect for an individual who is eager to contribute to a high-performing educational environment. If you are passionate about making a real impact, we want to hear from you. We seek candidates who are driven to enhance the educational experiences and life chances of our students.

Since joining Kingsbury Green Academy (KGA) in September this year, I can confidently say that it is a vibrant and welcoming place where both staff and students thrive. As an experienced headteacher and trust leader, I sought to return to headship at a school that fosters a strong sense of community and belonging. I was eager to be part of a school dedicated to delivering an ambitious and broad curriculum through excellent evidence-informed teaching. I was searching for a school which was committed to offering a variety of trips, after-school clubs and activities that help students explore their talents and passions.

Most importantly, I wanted to be in an environment where positive relationships amongst staff and students are nurtured through mutual respect. KGA excels in all these areas. Behaviour of students is excellent, outcomes for children improve every year, and there is a dedicated team of staff and governors working in supportive partnerships with parents and students.

When you join KGA, you also become part of The Ascend Learning Trust (ALT), a collaborative network of secondary and primary schools committed to enhancing student experiences through the sharing of best practices, pooling resources, and tackling common educational challenges. At ALT, staff well-being is a top priority. The trust emphasises professional development through exceptional training and coaching while valuing work-life balance. We respect your time by never asking staff to complete tasks that don't directly benefit our students.

We also avoid short deadlines and last-minute calendar changes and we never ask you to complete unnecessary administrative tasks. This dedication to staff well-being is more than just a promise. Each year, every staff member is entitled to book one day's leave on a day of their choosing as a "well-being day". This year's two-week October half-term has also enabled staff and parents to enjoy more affordable holiday options. Moreover, our summer term concludes earlier than most, allowing for an extended summer break.

Joining KGA means joining a supportive and forward-thinking community where your well-being and professional growth are truly valued and our vision and values guide everything we do here:

Vision and Values

We are committed to delivering a rich and diverse curriculum through passionate and knowledgeable teaching. We aim to engage all learners and support them in making exceptional progress, regardless of their starting points.

We believe in achieving excellence collectively by:

- Embracing every opportunity for growth and development.
- Breaking down social, economic, and academic barriers to help students reach their full potential.
- Valuing hard work and perseverance as the keys to success.
- Inspiring every individual to be bold, courageous, and aspirational.
- Fostering a culture of mutual respect and pride in ourselves, our school, and our community.

As Headteacher, I assure you of a supportive and dedicated senior team, a stimulating and happy work environment, and the opportunity to work with exceptional young people. You will join a team of professionals who are committed to making a difference and to shape the future of Kingsbury Green Academy.
