About our School

Alderbrook is a thriving, successful and welcoming community demonstrating a common purpose – to ensure the very best for all of our students. The name is often abbreviated to ‘ABK’, and this affectionate nickname also demonstrates our school core values of Ambition, Bravery and Kindness. These three words really do exemplify what our school is all about, as all members of our community – students, staff, parents and trustees – embody these values. Our aim is to be ambitious, brave and kind in everything that we do, and we are proud to be a truly comprehensive school providing an education of a high quality for all our students.

We are committed to enabling all our young people to develop into happy, well prepared and confident adults, secure in the knowledge of the role they can play in their own development. We offer an extensive range of opportunities to stimulate and enhance the growth of our students into mature and responsible adults with a sense of purpose. At Alderbrook, we exist so that every student can achieve, belong and thrive – at school and beyond.

In the last Ofsted inspection in April 2023, the inspectors reported that *“Alderbrook school leaders and pupils share the same high aspirations”*, and that *“Pupils’ well-being is at the forefront of leaders’ vision, including pupils’ mental health”*.

We deliver a broad and challenging curriculum to enable students to gain a deep knowledge and understanding of the world around them. We are proud of our inclusive approach, which is informed by the principle that a stimulating and personalised education is an entitlement for every child. This is consistently reflected in our examination results which, year-on-year, are above national averages at GCSE and A Level and place us as one of the highest performing schools in the Borough.

However, Alderbrook is about so much more than academic success. We are passionate about our students becoming well-rounded young people who are prepared for life beyond school. We are incredibly proud of our comprehensive enrichment programme and recognise the importance of sport and creativity.

We couldn’t achieve any of this without our wonderful staff, so their happiness and well-being is essential. We have a well-established Staff Wellbeing Group, led by a senior member of staff, and we offer staff a number of different options and services to support their wellbeing. Furthermore, our Talent Management Framework supports the professional development of staff in all roles in school. Later in this pack you can read what our staff say about what it’s like to work here at Alderbrook.
