

# MEDIA TECHNICIAN FULL OR PART TIME

**COMMENCEMENT:** April 2026

**SALARY:** Scale 3-4; £29,436 - £31,611 pro rata

# MEDIA TECHNICIAN

Following a successful Ofsted inspection, and an expansion in student numbers in the sixth form, the school has completed an extensive upgrade to its Media facilities which include a Media Suite with LED Green Screen, Audio Recording Booth and accompanying equipment as well as an Apple Mac Suite and CAD Suite. Additionally, the Engineering department has seen the inclusion of a Mechatronics Workshop.

The school is now seeking an experienced Media Technician to support both the teachers and students in using the excellent range of facilities. This is a fantastic opportunity for an ambitious and dynamic individual to join a STEM and Media focused school on the next stage of its curriculum development journey.

Brook 6th Form & Academy is a small school of KS4 and KS5 students, housed in an impressive new building in Barking and Dagenham, located opposite the exciting new Eastbrook film studio complex. The school has excellent transport links, with Dagenham East tube station a short walk away.

The school is an excellent provision with a stable staff of subject specialists. Students study predominantly STEM subjects, (science, computer science, maths, engineering), with the recent introduction of Media. The school has excellent levels of attendance, with a focused and aspirational student body.

*“Pupils demonstrate exceptionally positive attitudes to learning. They work hard and are keen to succeed. They make a positive contribution to the school community” Ofsted, January 2025*

*“The school is a calm and purposeful environment where all pupils feel safe. They use study spaces effectively to consolidate their learning.” Ofsted, January 2025*

Brook 6th Form & Academy is well resourced with world class facilities that enable staff to deliver Quality First teaching to our students through practical activities, as well as traditional classroom based pedagogy. This is an exciting time to be joining the school, with its traditional STEM based subjects moving to excellent, and the broadening of the curriculum to include Media in response to local employment needs.
