Introduction to the Woodard Academies Trust

The Woodard Academies Trust is a collaboration of six schools across England working together to meet ambitious goals for students and staff and to deliver the vision:

- Opening minds: igniting a curiosity about the world, nurturing spiritual and cultural growth and developing a love of learning for life.
- Raising expectations of everyone in the Trust, staff, pupils and governors, of the standards we can reach and the outcomes we can achieve, irrespective of background.
- Transforming lives: a successful education will transform the lives of young people into adulthood so they have rewarding careers, strong relationships, and make positive contributions to their community and society.

The Trust has an impressive heritage as part of the Woodard family of schools, founded by Nathaniel Woodard in 1848 with the aim of providing an education based on Christian values. The Trust's main focus is school improvement, drawing on the skills and expertise across the Trust to ensure every school is at least 'good' and all pupils achieve well.
