A message from the children at Beecroft Academy:

We are a friendly environment with children that love to learn. We have lots of great things about our school including our teachers, our forest school area, art and all our fun learning. We would like someone who is fun but will also help us make progress. We would also like someone who is good at telling stories, kind and patient. If this is you, please apply for this role.

The successful candidate will:

- ideally have experience of working in the primary school phase
- be passionate about making a real difference to the lives of the children
- be keen to work alongside the class teacher and SENDCo to provide an individualised curriculum and learning environment,
- build positive relationships with the children and their parents/carers
- be organised and proactive.

We are proud to offer:

- wonderful children who enjoy being at school
- a supportive staff and leadership team
- CPD opportunities to broaden your knowledge and understanding around the specific needs of the child you will be working with
- support from appropriate external agencies.

Experience of working with children who have special educational needs is desirable but not essential.
