About the Role – Meet the Team

The Learning Support team provides effective support to assist students in achieving positive outcomes whilst developing independence, resilience and employability. We can assist students with a range of various learning differences and/or difficulties across all academic levels at college.

We have a range of support available within Learning Support that includes:

- Robust transition opportunities and planning to support joining and leaving the college
- Holistic assessment of additional needs to develop effective support. Support is reviewed throughout the year
- EHCP annual reviews, as well as supporting students with My Plans, My Plan + and SEN Profiles
- Support in-and-out of timetabled sessions from experienced Learning Support Assistants and SEND Intervention Mentors
- Trained and experienced staff to support a broad range of additional needs, including but not limited to Autism Spectrum Condition, Dyslexia, Dyscalculia, Dyspraxia and ADHD
- Coaching and support to utilise assistive technology and software to assist learning
- Appropriate exam access arrangements and reasonable classroom adjustments
- Other support includes Personal Emergency Evacuation Plans (PEEP), personal/intimate care and medication support if required.

Our settings are safe, specialist facilities, thoughtfully designed to support students with a collaborative approach to education, meeting their educational and other individual needs. Our team is based across all three campuses and a range of working patterns are available depending on student need and timetabling.

As a SEND Intervention Mentor, you will work with learners across Gloucestershire College sites who have a variety of additional learning needs at different academic levels, including those progressing through Higher Education (HE) programmes. You will provide targeted interventions to develop independence, resilience, confidence in higher-level study, and work-readiness—supporting learners’ ambitions, inclusion, and overall outcomes. You will also review the impact of interventions and measure distance travelled for each student. Following a robust initial assessment, you will provide planned interventions and drop-in sessions for Further Education (FE) and HE learners on the following areas:

- Academic literacy and higher-level communication skills
- Development of digital and information-literacy skills required for FE/HE study
- Independent learning and self-management strategies
- Additional support for SEND needs (e.g. Autism, Dyslexia, Dyspraxia, ADHD)
- Study skills, including academic writing, referencing, research skills, and time-management
- Use of assistive technologies such as reading pens, screen readers, and digital note-taking tools
- Guidance on inclusive/assistive technology settings on devices and apps
- Liaison with SEND and HE specialists to ensure continuity of support and effective transition between levels of study

About the Role – Duties and Responsibilities

- To develop, deliver, and review 1:1 intervention programmes for SEND and HE learners across a range of topics, with a focus on literacy and numeracy, independent learning skills, well-being, higher-level study skills, and Maths and English development. These sessions should be targeted, outcome-driven, and demonstrate clear distance travelled.
- To liaise with curriculum teams across HE and FE pathways to ensure continuity of academic support and the integration of strategies identified.
- To explore, develop, and share resources and teaching strategies that support learners engaging with HE-level academic English, including critical reading, research skills, academic writing, and discipline-specific communication.
- To run drop-in and group sessions for SEND and HE learners who may require additional support in areas such as literacy and numeracy, inclusive technology, study skills, and preparation for progression into higher-level study or the workplace.
- To support EHCP learners from FE with applications for Disability Support Allowance (DSA)
- To ensure you are consistently supporting students in line with the Graduated Approach and Ofsted framework, promoting the independence of students and engaging in meaningful conversations regarding their future.
- To deliver a cohesive introduction to assistive technology for students who may benefit from the use of this in their everyday work and exams.
- To work closely with the Learning Support Manager and SEND Review Leads to plan targeted support for SEND/EHCP learners.
- To work closely with English and maths department to help underpin the work that they do preparing learners for these qualifications
- To attend SEND support panels, feedback regarding your interventions and plan the best way forward for the students.
- To support with the transition of students where appropriate.
- To raise the profile of the service for SEND learners and ensure staff and students are aware of the focus for the sessions.

- To respond to referrals for support in a timely manner ensuring students are waiting no longer than 2 weeks to access support
- Liaise with the Learning Support Manager so they can deliver training to staff in identified areas.
- To promote the use of equipment and ensure there is an accurate rota and timetable of bookings.
- Provide initial assessment process for learners with additional support needs, to provide robust rationale for support and target development towards increased independence.
- Manage the level of referrals received through internal system
- Utilise internal systems (ProMonitor) effectively to record all support delivered, the level of impact it has and the progression of learners.
- Be aware of, work within and respond to national changes in policy, guidelines, regulations and legislation relating to SEN, for example reasonable adjustments and exam board requirements.
- Support with learner recruitment events such as open evenings and information events.
- Liaise with external agencies and parents / carers as required to effectively share information as necessary.
- Explore, develop and use resources, teaching and learning strategies and digital technology within own practice and disseminate best-practice within the team.
- Actively contribute and support the departmental Quality Improvement Plan (QIP), Self-Assessment Report (SAR) and key performance indicators (KPIs).

About the College – Our Expectations

- Take an active part in Professional Development Conversations (PDC)
- Engage with all relevant Health & Safety regulations and assist the College in the implementation of its own Health & Safety Policy
- Actively promote the College's Equality and Diversity Policy
- Actively promote the College's Safeguarding Policy and Practices
- Support the College's sustainability policies and recognise the shared responsibility of carrying out duties in a resource efficient way
- Participate in enrolment
- Participate constructively in college activities and to adopt a flexible approach to your work.
- Undertake a first-aid qualification and participate in the first aid rota, as required.
- Undertake any other relevant duties as specified by your line manager commensurate with the level of this post
