between students and staff are highly positive.

In our annual surveys, both parents and students rate the school highly.

The school has doubled in size since it was first built and enjoys an excellent setting. It has good sporting facilities and has developed a community ethos within the area that it serves.

The Life of the School

Pastoral Care

Light Hall School is a very friendly and welcoming place for both students and staff. Students feel cared for and relationships between students and between staff and students, are overwhelmingly positive.

The pastoral system is centred on the form tutor, the head of Key Stage 3, 4 and 5, the Progress and Development Leader and the non-teaching pastoral managers.

Almost every member of staff is involved in the pastoral system in some way. The house system contributes to this too, providing links between students of different ages and healthy competition in a wide range of activities. A small sample of these include the visual arts, "Dragon's Den" enterprise cup, cake bakes, "Light Hall's Got Talent", dance, basketball, cricket, rounders, netball and football.

Academic and Extra Curricular Life

Our broad and balanced curriculum is delivered through a three year Key Stage 3 and a two year Key Stage 4, to ensure that students have time to develop the depth of their knowledge and skills in their GCSE subjects. Our Key Stage 4 and 5 offers are broad and balanced.

In addition to striving for excellence in academic study, our provision aims to prepare our students for life beyond Light Hall. Our curriculum, which incorporates PSHE and SMSC, makes a strong contribution to our students' personal development and welfare. This is enhanced by a weekly programme of extracurricular activities, which includes after school sports, drama and musical activities, as well as a variety of subject enrichment clubs. The house system also provides many opportunities for students to participate in a variety of different activities and charity events. Careers and work related learning are promoted in every year group and are very strong.

We are fortunate to have a high quality learning environment at Light Hall with the latest technologies to enhance the curriculum.

Our modern classroom facilities help to provide greater variety in teaching methods and therefore make learning more effective.
