

Oak Wood School  
**Teacher of Business and Economics**  
Information 2025/2026

Thank you for taking the time to look at this job opportunity at Oak Wood School.

The Business and Economics Department sits at the heart of the school and benefits from excellent accommodation and resources. Business is popular at GCSE and the school currently offers both A Level Business and A level Economics as well as Cambridge Technical Business. A high uptake alongside extra-curricular opportunities and a fully differentiated curriculum makes the department an exciting place to work.

If you are an ECT you will benefit from a comprehensive induction programme not only within the school but also within the department. The school and the department are a fantastic place to develop your teaching skills.

Relationships across the school between parents, students and staff are warm and positive which makes Oak Wood School an environment that is a pleasure to work in and develop your career at.

We have a caring, respectful and supportive core ethos 'We Dream, We Learn, We Grow' that propels us to constantly advocate that students at Oak Wood School are not limited in their choices. 'We Dream, We Learn, We Grow' also underpins how we develop our staff with our extensive professional development and well-being programmes.

In joining our community, you will be part of an organisation that will support you in your career goals and help you to develop as an individual.

I look forward to receiving your application.

Daniel Cowling  
**Headteacher**

## Business Studies Curriculum Intent

Business Studies at Oak Wood School will nurture our future entrepreneurs and business leaders. We will equip them with knowledge, understanding and skills needed for the dynamic modern business world. We are looking to inspire the next Alan Sugar or Deborah Meaden. We will prepare our pupils for the competitive world of work by introducing them to the concepts of business and enterprise through real life examples, ranging from small enterprises to large multinational companies and businesses operating in a global context.

Business Studies is aligned to the whole school curriculum principles of:

- High aspirations of all pupils so all make progress
- Actively supporting the ongoing development of reading, writing and numeracy
- Supporting and stretching all pupils on their learning journey
- Ensuring pupils are able to apply knowledge, understanding and skills
- successfully

The Business Studies curriculum will give our pupils the opportunity to:

Know and understand business concepts, terminology and objectives

Explore the integrated nature of business activity and the impact of business on individuals and wider society

- Consider contemporary business issues and to apply learned knowledge and understanding to different types and sizes of businesses in local, national and global contexts
- Develop as enterprising individuals with the ability to demonstrate business acumen
- Be constantly challenged to work collaboratively and become a critical and reflective thinker
- Develop and apply quantitative skills relevant to business, including using and interpreting data
- Investigate and analyse real business opportunities and issues
- Develop life skills, entrepreneurial competencies and the ability to make effective decisions and problem solving as both consumers and prospective workforce.
