Who we are:

St John Fisher Catholic Primary School is a joyful, diverse and welcoming community in Littlemore. Grounded in our mission, "*Let all that you do be done in Love,*" we believe that every child is made in the image and likeness of God, and we work each day to ensure every pupil is known, loved, challenged and supported to flourish.

Our school site includes green spaces, chickens loved by the children, and an environment that we are continually improving for wellbeing, play and learning.

This is a wonderful opportunity to join a committed and friendly team, where your work will have a direct impact on children's safety, wellbeing and daily school experience.

Working under the guidance of the Headteacher and School Business Manager, the Caretaker will take pride in ensuring that our site is safe, clean, secure and well maintained. You will follow an agreed schedule of work and be a key part of keeping our school running smoothly.

This is a practical, hands-on role that would suit someone who is reliable, proactive and enjoys taking ownership of their work. It is a demanding but highly rewarding position where no two days are the same.

The successful candidate will:

- Be enthusiastic, reliable and able to work independently as well as part of a team
- Have practical skills and enjoys hands-on work
- Take pride in maintaining high standards across the school site
- Be organised, flexible and able to manage a varied workload
- Have a positive attitude and a warm approach to children, staff and visitors
- Be willing to uphold our Catholic ethos

This is an excellent opportunity for someone who enjoys practical work and wants to make a real difference within a caring school community.

In return we offer:

- A warm, welcoming and inclusive Catholic school community
- A supportive staff team and leadership
- Opportunities for training and professional development
- A chance to contribute to an environment in which children feel safe, happy and able to thrive
