About the Role – Meet the Team

The Learning Support team provides effective support to assist students in achieving positive outcomes whilst developing independence, resilience and employability. We can assist students with a range of various learning differences and/or difficulties across all academic levels at college.

We have a range of support available within Learning Support that includes:

- Robust transition opportunities and planning to support joining and leaving the college
- EHCP annual reviews, as well as supporting students with My Plans, My Plan + and SEN Profiles
- Support in-and-out of timetabled sessions from experienced Learning Support Assistants and Inclusion and Learning Mentors
- Trained and experienced staff to support a broad range of additional needs, including but not limited to Autism Spectrum Condition, Dyslexia, Dyscalculia, Dyspraxia and ADHD
- Coaching and support to utilise assistive technology and software to assist learning
- Appropriate exam access arrangements and reasonable classroom adjustments
- Other support includes Personal Emergency Evacuation Plans (PEEP), personal/intimate care and medication support if required.

Our settings are safe, specialist facilities, thoughtfully designed to support students with a collaborative approach to education, meeting their educational and other individual needs. Our team is based across all three campuses and a range of working patterns are available depending on student need and timetabling.

As an Inclusion and Learning Mentor, you will work with learners who have a variety of additional learning needs at different academic levels. You will provide interventions to develop independence, resilience, language confidence, and work-readiness, supporting their ambitions, inclusion, and outcomes. You will also review the impact of interventions and distance travelled by the students.

Following a robust initial assessment, you will provide planned interventions and drop-in sessions on the following subjects:

- Language development and communication strategies for EAL learners
- Literacy and numeracy skills development
- Independent Living Skills
- Additional support for SEND needs e.g. Autism, Dyslexia, Dyspraxia, ADHD
- Study Skills
- Reading pens and screen reader
- Inclusive/assistive technology settings on devices and Apps

About the Role – Duties and Responsibilities

- To develop, deliver and review 1:1 intervention programmes for SEND and EAL learners on a variety of different topics with an emphasis on literacy and numeracy as well as independent skills, well-being, study skills, and maths and English support. To ensure these sessions are targeted and have specific outcomes and distance travelled is measured.
- To liaise with curriculum teams to ensure continuity of language support and integration of strategies that promote confidence in spoken and written English.
- To explore and develop resources and teaching strategies that support bilingual learners and those developing academic English.
- To run drop-in/group sessions for students who may need extra support in the following areas: English and Maths skills, inclusive technology, study skills, work readiness.
- To develop and deliver sessions to specifically meet outcomes in the EHCP document for students in a range of settings.
- To ensure you are consistently supporting students in line with the Graduated Approach and EIF, promoting the independence of students and engaging in meaningful conversations regarding their future.
- To deliver a cohesive introduction to assistive technology for students who may benefit from the use of this in their everyday work and exams.
- To work closely with the Learning Support Manager and SEND Review Leads to plan targeted support for SEND/EHCP learners.
- To work closely with English and maths department to help underpin the work that they do preparing learners for these qualifications
- To attend SEND support panels, feedback regarding your interventions and plan the best way forward for the students.
- To support with the transition of students where appropriate.
- To raise the profile of the service for SEND learners and ensure staff and students are aware of the focus for the sessions.
- To respond to referrals for support in a timely manner ensuring students are waiting no longer than 2 weeks to access support
- Liaise with the Learning Support Manager so they can deliver training to staff in identified areas.
- To promote the use of equipment and ensure there is an accurate rota and timetable of bookings.

- Provide initial assessment process for learners with additional support needs, to provide robust rationale for support and target development towards increased independence.
- Manage the level of referrals received through internal system
- Utilise internal systems (ProMonitor) effectively to record all support delivered, the level of impact it has and the progression of learners.
- Be aware of, work within and respond to national changes in policy, guidelines, regulations and legislation relating to SEN, for example reasonable adjustments and exam board requirements.
- Support with learner recruitment events such as open evenings and information events.
- Liaise with external agencies and parents / carers as required to effectively share information as necessary.
- Explore, develop and use resources, teaching and learning strategies and digital technology within own practice and disseminate best-practice within the team.
- Actively contribute and support the departmental Quality Improvement Plan (QIP), Self-Assessment Report (SAR) and key performance indicators (KPIs).

Safeguarding

At Gloucestershire College, we are committed to promoting the welfare and safeguarding of our young people and vulnerable adults. The College expects all students, staff and visitors to share this commitment. Safer recruitment practices are an essential part of this commitment.

If shortlisted, you will be required to complete a self declaration of any criminal record or other information that may make you unsuitable to work with children. This includes explaining any gaps in employment. Applicants will be required to disclose any cautions, convictions, reprimands or final warnings in line with the Rehabilitation of Offenders Act. The College is committed to the fair recruitment of ex-offenders in line with its policy and legal responsibilities.

Candidates will be asked to provide evidence of their right to work in the UK. Satisfactory references and online searches will also be completed as part of the safer recruitment process. The online search reviews publicly available information, including social media, to identify any concerns that may require further discussion. References may be requested either before interview, with consent, or following an offer of employment.

All successful applicants will be required to complete an enhanced DBS check appropriate to the role.
