Teacher of Art & Design

0.4 FTE - Working Monday & Wednesday

Start Date: September 2026

'Pupils, including students in the sixth form, are proud to attend the school. They feel safe and cared for. Positive relationships are a cornerstone of the school'

Ofsted February 2022

Welcome to Brighouse High School

Thank you for your interest in joining Brighouse High School; we are very much looking forward to welcoming you to our school.

Our school is oversubscribed and has consistently served the community of Brighouse and the surrounding area, always developing and building on consistent good practice and ensuring that positive experiences of student and staff development are partnered with good outcomes for the students. Our School Direct Programme is also growing rapidly as we move to ensure that we engage, train and retain the best teachers for our students.

- **Pupils, including students in the sixth form, are proud to attend the school. They feel safe and cared for.**
- **Pupils feel they can speak to any member of staff if they have concerns or worries.**
- **Positive relationships are a cornerstone of the school and allow pupils to express themselves with confidence.**
- **Pupils believe the school takes their well-being seriously.**
- **One pupil told an inspector, 'Everyone cares at Brighouse.' The atmosphere around school and in lessons is calm.**
- **Pupils behave well and engage positively in lessons. Pupils are polite and respectful towards each other and staff.**

Ofsted 2022

Our commitment to a broad and balanced curriculum has never faltered; we have always ensured that students are offered the broadest range of opportunities to succeed in an inclusive and supportive environment. We are consistently amongst the highest achieving secondary schools in Calderdale for enabling our students to progress with the benchmark qualifications required to access their next steps in education, employment or training.

Our ethos is simple; we value and are proud to be a comprehensive school which serves all of our local community. The core purpose of our school is to raise achievement for all and to do this within a framework of positive behaviour and relationships. We consistently strive to ensure that Brighouse High School is a happy place to learn and work and that there is equality of opportunities for all. We put the welfare and achievement of our pupils at the core of all our decisions.

Our vision remains clear; we aim to provide for our students an education and support that is second to none.

Our sense of togetherness is important to us and to our community and it is often quoted that 'the best thing about Brighouse High is the people in it'.

Teacher of Art & Design

MPR/UPR

Art and Design Department

The Art and Design Department has an established role within Brighthouse High School and is staffed by two full-time teachers, two part-time teachers and two part-time technicians. The Department enjoys a high profile, results are excellent and take up is good at Key Stage 4 and 5. Standards of display are high and integral to providing an appropriate environment for learning.

The Art and Design area is housed in three adjacent, purpose-built teaching rooms, connected via a stockroom and darkroom. A kiln and clay preparation room, with full extraction, is also part of the department on the lower floor. Resources within the department continue to develop to accommodate delivery of the National Curriculum KS3 and to encourage effective use of materials and techniques at KS4 and Post 16. Our Sixth Form College houses our fabulous Creative Arts Studio where key stage 5 students are taught and work independently.

At KS4 we offer Fine Art and Photography. Textiles, Fine Art and Photography are also taught at A-level. All Key Stages have a scheme of work/programme of study which provides progression throughout.

Assessment procedures are in place at all Key Stages. Both Schemes of Work and assessment procedures are reviewed and modified regularly to adjust to the needs of the department and curriculum, though these are constantly under review to accommodate new examination requirements at KS4 and KS5.

Areas of experience presently covered are Painting and Drawing, Graphic Communication, 3D Media, Clay, Printing and Photography.

Our Priorities

Brighouse High School

Our People

As an inclusive comprehensive school, working in partnerships, we recognise that the single, most important resource we have is our people. As we have consistently stated, the best thing about our school is the people in it. They make our ethos a reality through their day-to-day work. By our people, we mean every person that works with us across our partnerships, irrespective of role.

We are also committed to maintaining a high level of retention. This can be via our engagement with the Early Career Framework and a high quality CPD programme, as well as the numerous professional opportunities that we aim to offer; supporting our employees in seeking wider experience across our partnerships, supporting applications for further professional qualifications and to initiatives such as the leaders in education programmes. We are committed to recognising and rewarding high performance, as well as ensuring that the wellbeing of all staff is always considered in the decisions we make.

Of course, the people who make Brighouse High School what it is are also our students who, alongside the staff, are at the forefront of every decision we make. What we do, we do because it is right for our students, our staff and our community.

Our Systems

We have never subscribed to the 'one size fits all' approach in our school and have repeatedly described our approach as being led by 'systems with a heart'.

We believe that what works exceptionally well should be rolled out across our organisation and consistently applied as it drives continuous school improvement, but we are always mindful of the need for a heart in all we do. We value our identity as an inclusive school that works relentlessly to raise the aspirations and achievement of all of our students.

Our focus for some time has been on developing our practice in areas such as curriculum, Quality Assurance and Monitoring (QAM) processes, effective assessment and use of data, intervention strategies and developments in teaching and learning, with high quality in-house CPD and appropriate BfL policies.

All of our systems are under constant review and amended if necessary. If something does not work, we change it; if it does, we invest in it and promote it for the good of all of our community.

Our Priorities

Brighouse High School

Our Organisation

Our primary concern has always been, and will always be, Brighouse High School but real strength and real potential to improve the outcomes for our students lies in our partnerships. We had a modest growth plan where the Valley Learning Partnership was concerned, but our reputation was strong and has grown and we have built on our strengths to continue to work with other schools across the authority and beyond, ensuring that we continue to secure support and challenge. Our work is also to shape effective policies and procedures concerning finance and HR services, as well as H&S and facilities management support, which will not detract from the main concerns of improving the outcomes of the young people in our school and those who work with us.

Governance is strong but we continue to seek expertise to bring onto our board to keep momentum for improvement and address areas of need. . We are strengthened by the partnership with the University of Huddersfield and a broader pool of expertise feeding into our own school, but we have also focused the effectiveness of our LGB; the next step is to embed further training to inform and support effective governance.

Our Wider Partnerships

A strength of our school is the partnership between home and school as well as the many other partnerships we are developing across our organisation. Our own school improvement work, as well as school improvement across our partner schools, remains our primary focus for the coming years but alongside this important work are a number of initiatives including work focusing on improving recruitment and retention through the school direct programme.

We understand the importance and benefits of real collaboration and are building a network of partners as well as deploying our own colleagues to further support other schools in SLE and SIP work across neighbouring authorities. We will continue to build these networks and partnerships where they will benefit our school and enhance the wider opportunities of our staff and young people.

What We Can Offer You

If appointed, you will be joining a strong and dedicated team and a focused and supportive wider staff body who are fully committed to delivering the best outcomes for our students. We aim to both challenge and support our students and staff to push the boundaries of their achievements, to contribute to the wider life of the school and its community and to be role models in all that they do.

We offer you the opportunity to join a strong and developing team at a time when challenge and reward are in abundance; most of all we offer you a happy place to work in a role which can really shape futures.

You will be joining a vibrant and committed wider staff body who work together for the good of all both in and beyond the classroom. You will see opportunities to join trips and visits to local, national and international destinations and will also be enrolled in our Employee Assistance programme which gives all staff access to:

24/7 GP service / Flu Vaccines / Balancing Parenthood
Nurse Support Service / Surgical Assistant Programme / Stress Management
Mental Health First Aid Training / Grief and Resilience / Financial Wellbeing Coaching
Men's Mental Health / Support Staff in the Workplace / Menopause Counselling
Menopause Blog / Symptoms Tracker / Guidance for Partners
Neurodiversity Training / New Employee Assessments / Occupational Health Hub
Deloitte Legal Services

This is a fantastic opportunity to make a real difference.

We are looking for a candidate who is seeking to establish themselves in an exciting role and we can fully support you on that journey.

Our Staffing Profile

The school currently employs 97 members of teaching staff and 86 members of support staff.

Senior Team

The senior team currently comprises of the Headteacher, three Deputy Headteachers and five Assistant Headteachers.

Curriculum Leaders

Heads of Department lead curriculum areas, with core curriculum areas also having additional TLR holders within the leadership of that area.

Pastoral Structure

Each Year group is headed by a Head of Year, Assistant Head of Year and has the support of a member of the senior team. Each key stage has the additional support of a non-teaching Pastoral Assistant. HOYs move with their Year group throughout KS3 or KS4. A team of tutors works with each HOY and remains with their form group through each key stage.

The Sixth Form is led by the Assistant Headteacher - Head of Sixth who works with an Assistant Head of Sixth Form. The Sixth Form team are supported by a part-time administrator and a Sixth Form receptionist.

Support Staff

The school has an extensive array of support staff in student support, administration, IT, technical support and premises. Student support includes:

- Children with additional needs who are supported through the SEND department which includes 10 Learning Support Assistants.
- Vulnerable students are supported through our counselling partners, safeguarding team and the Pupil Premium Champion.
- Underachieving students are also supported through various support structures across the key stages.
- Safeguarding Leads and Counsellors to support EWB and Child Protection.
- Pastoral Administrators to support our extensive pastoral structure.
