01. Welcome from the CEO

Welcome from the Chief Executive

Thank you for your interest in joining Academy Transformation Trust. Choosing the right next step in your career is an important decision, and I am delighted that you are considering doing so with us.

At ATT we are driven by a simple but profound belief: every child can and should become capable, competent, and confident. Our purpose is to transform lives through education, and our strategy, ATT2030, sets out how we will achieve this for every pupil, every colleague, and every community we serve.

We know that people are at the heart of everything we do. Our trust thrives because of the talent, dedication, and values of our colleagues. If you choose to join us, you will become part of a high-trust, high-accountability organisation where principals are empowered to lead, colleagues are supported to grow, and everyone is united in the moral purpose of education.

We are ambitious for our pupils and ambitious for our people. Across the trust you will find a culture of collaboration, professional excellence, and deep care for one another. We celebrate hard work, integrity, and teamwork, and we create opportunities for everyone to flourish.

I wish you every success with your application. Whether or not you go on to join us, I hope you will recognise that ATT is a community committed to excellence, to belonging and becoming, and to ensuring that all of us – pupils and adults alike – leave more capable, more competent, and more confident than when we arrived.

With best wishes,

Mark McCourt
Chief Executive Officer

02. About Academy Transformation Trust

About Academy Transformation Trust

At Academy Transformation Trust (ATT), our ambition is that every person who passes through our schools and colleges becomes an educated person – able to take a rightful place in the community of educated people and to join what Robert Maynard Hutchins called “the Great Conversation.” An ATT education stresses history, the scientific mode of thinking, the disciplined use of language, a wide-ranging knowledge of the arts and religion, and the continuity of human enterprise. We aspire for everyone, regardless of their starting point, to leave us capable, competent, and confident.

Our Values

ATT2030 sets a values-driven culture that is explicit about how we work and lead:

- **Belonging & Becoming:** we meet each child where they are and refuse to leave them there – giving them both roots and wings.
- **Integrity & Excellence:** we act ethically, celebrate excellence, and pursue high standards in all that we do.
- **High Trust, High Accountability:** decision-making sits close to pupils and communities; principals are trusted as strategic leaders; the central team acts as expert partner; accountability is professional, dialogic, and focused on learning and improvement.

Our Three Goals

Everything in ATT2030 is organised around three interlinked goals that describe the kind of people – pupils and adults – we are forming:

- **Capable:** equipped with the knowledge, skills, and emotional readiness to perform to a high standard, adapt to change, and contribute meaningfully.
- **Competent:** possessing the knowledge, habits, and judgement to get things done – well, reliably, and independently – handling setbacks and making steady progress.
- **Confident:** feeling safe, happy, and known – secure enough to take risks, speak up, and grow with purpose and integrity.

Our Nine Aims (by 2030)

These goals translate into nine aims that define success for ATT by 2030:

Capable

1. Professional Excellence – skilled professionals delivering consistently high standards.
2. Fluent Learners and Thinkers – confident, curious learners fluent in communication and technology.
3. Multiple Pathways to Success – diverse routes that recognise varied talents and passions.

Competent

4. Purposeful, Knowledge-Rich Learning – rigorous, meaningful learning that enriches lives.
5. Unwavering Focus – purposeful use of time and energy on what matters most.
6. Strength Through Challenge – resilience built by tackling challenge and learning from it.

Confident

7. Valued and Empowered Individuals – everyone known, valued, and supported to be their best.
8. Leading with Integrity, Celebrating Excellence – values-led leadership and cultures that recognise excellence.
9. Moments That Shape Us – deliberate rites of passage and significant experiences that foster growth and self-discovery.

Our Approach to Working Together

We are building a high-trust, high-accountability organisation. Principals are empowered as strategic leaders of their academies; the central team provides expert challenge, support, tools, and evidence; accountability is reframed as professional dialogue aimed at continuous improvement, not blame. This is how we ensure that every child leaves us capable, competent, and confident.

03. Academy Information

WESTBOURNE
ACADEMY

Westbourne Academy in Ipswich isn't just a school – it's a microcosm of the world with students from all around the globe. Between them they speak 50 languages, and their unique perspectives on learning and life make this a very special academy.

During 2025 Ofsted inspected us and although they noted a range of strengths, including that most students are polite, friendly and hardworking, with warm and positive relationships with staff, they highlighted areas for development that led them to be unable to repeat the Good grade that the Academy achieved in both 2019 and 2024. We therefore find ourselves in a unique position where our focus is on rapid improvement. We are resolute in our commitment to improving Westbourne and are confident that the steps we are taking will achieve this.

Many of our students come from deprived backgrounds with 40% qualifying for the pupil premium and they therefore face significant barriers to learning. Our role is to help them to overcome their barriers, so they can achieve their potential and unlock the opportunities life in modern Britain offers.

We welcome fresh ideas from all our staff and actively value their creativity and imagination. We are passionate about improving our practice, and we are always keen to find new ways to do things.

Westbourne Academy offers the satisfaction of transforming disadvantaged young people's futures, in an excellent location amidst attractive countryside, just an hour from London.

Our abiding passion is for all students to "achieve their potential" and to "develop the skills necessary for employment and life" through their learning and the development of their intellectual, creative, physical and emotional capabilities.

We aim to instil our core and aspirational values and for our students to develop moral integrity and become responsible global citizens. We, therefore, encourage them to develop a strong sense of responsibility towards each other and to those beyond their immediate community.

The pursuit of academic excellence is crucially important, but the learning experience for Westbourne students is not confined to the classroom. We are fully committed to the idea of an all-round education where personal development is valued as much as examination success, and we are proud of discrete lessons in enrichment.

The Academy is well served by a team of highly committed teachers and support staff, who frequently "go the extra mile", working in partnership with the Trust, Local Governing Body and parents to provide the very best possible education. We are extremely fortunate to have exceptional staff to support "Team Westbourne" and the pursuit of its vision and strong core and aspirational values.

We are proud of our students and, if you take the opportunity to come and meet with us all, as I sincerely hope you will, we believe you will see why.
