

North Halifax Grammar School

Required from September 2026

Teacher of Art 1.0 FTE (One year post 1 September 2026 to 31 August 2027)

The Academy is looking to appoint an energetic and well-qualified Art graduate to join a strong department in a highly academic school. The ideal candidate would be able to teach across Key Stages 3 and 4, and teach KS5 either immediately or in the near future and would be keen to work at the highest level of secondary school Art.

Successful applicants will be supported through their ECT process (if appropriate) with a dedicated mentor, in-school training and a supportive department to help them develop into a highly effective practitioner.

The candidate must be:

- An inspirational teacher.
- Driven in their relentless pursuit of the highest standards across the department.
- Highly organised and meticulous.
- Creative and imaginative.

All students study Art & Design in KS3 with a balanced curriculum that develops creativity, practical skills, and an understanding of artists, craftspeople and designers from a range of cultures and traditions, while preparing students for further academic study. GCSE Art & Design is a popular choice at KS4 following the Eduqas GCSE Art & Design specification. This wide-ranging course develops key artistic skills and techniques before allowing students to pursue their own creative interests through increasingly independent and personal projects. The learning journey continues at KS5 with Eduqas A Level Art, Craft & Design – a broad course which offers students the opportunity to specialise in a range of Art, Craft & Design disciplines.

A personnel specification for the role can be found below.
