Our aim is to provide a supportive and nurturing environment that will enthuse and engage students in education. We strive to ensure that our students have clear pathways to their next educational setting, supporting schools to ensure that their varying long-term needs can be effectively met, whether this is in a mainstream or more specialised school environment. Our long-term aim is for students to be empowered to develop into responsible citizens beyond their school years.

I was inspired to pursue a career with children who have SEMH needs through my experience of teaching music as an unqualified Teacher. I joined the Trust thirteen years ago as an Inclusion Worker and was subsequently promoted to Senior Inclusion Worker, before being supported to secure a teaching qualification. More recently I was able to complete training to become a SENDCo and I am currently SENDCo for Reach Academy. The Trust and management team within Reach Academy not only supported my ambition to become a fully qualified Teacher, they continue to offer opportunities for my ongoing personal and professional development.

SARAH SIMMONDS, SENDCO - REACH ACADEMY

During my 8 years of employment with Ethos Academy Trust, I have been supported to access a number of professional opportunities and, after securing a teaching role, I became a member of the Senior Leadership Team at Ethos College and was supported in undertaking the NPQSL to help me enhance my leadership skills, understanding and practice. From January 2024, I moved to the position of Head of School at Reach Academy.

The Trust is committed to providing relevant and meaningful professional development opportunities to support the career progression of the staff team. I have always felt highly valued and supported by the Trust in everything that I do.
