Welcome

Thank you for your interest in this post. Choosing the right school in which to work is a big decision, especially in the current educational climate. I believe that The Wordsley School provides a fantastic location for the right person to continue to grow as a teacher. The aim of this application pack is to tell you a little about our school and hopefully inform your decision to apply.

The Wordsley School is a great place to work. People make schools, and at Wordsley, we have great ones. We want staff who really care about their students and each other, always going the extra mile. We all enter the teaching profession to make a difference to young people and share our love of subjects with them. Personally I am a History teacher and still get a buzz from being in the classroom. I am looking for a teacher who loves R.E. as much as I love teaching about the past.

Wordsley is a true 'community' school. As a group of over 60 teachers and 50 additional non-teaching staff, every single adult in the school has a critical part to play. We are a team in the true sense of the word. We don't expect perfection from our staff, just that they do their best and keep trying to get better. What we want more than anything is someone who cares for our young people and will do what they can to help them to be successful.

As a Teacher of RE, you will be supported by a very cohesive and friendly department. If relevant, you will benefit from the comprehensive support package offered to our Early Careers Teachers (ECT) in Year 1 and/or Year 2 of their career.

RE is a well-liked subject at Wordsley, with a good uptake at GCSE. Next year there will be three groups in Y10 and one group in Year 11. Teaching quality is high and there is a curriculum in place that we have developed internally over the last twelve months. This position has come about due a pregnancy within the department.

I strongly encourage you to take the opportunity to come and visit the school prior to submitting an application and to meet with me; the application window has deliberately been constructed to allow sufficient flexibility for prospective candidates to do this. If you would like to arrange a visit, please contact Rachel Potter (PA to the Headteacher) by email (rpotter@wordsley.dudley.sch.uk) or telephone (01384 816015) to make an appointment. In addition to this, a wealth of information about our school can be found on our website.

Beyond this, if you would like to apply for the post, please submit an application form via My New Term. Your supporting statement should be a maximum of two sides of A4 and should outline how you feel your experience, skills and attributes will enable you to make a significant impact in the advertised post.

I look forward to hearing from you.

Headteacher

Stour Vale Academy Trust

ABOUT STOUR VALE ACADEMY TRUST

Our multi-academy trust was founded in 2017 and developed from collaboration between schools, the significant positive impact of which convinced three schools, two secondary and one primary, that together we would have much greater capacity to continuously improve. Over time, Stour Vale has steadily grown. We began as a cross-phase multi-academy trust and as we have grown, both secondary and primary schools have joined us. There are currently twelve member schools, six primary, one junior, one infant with day nursery and four secondary.

As a successful family of schools, delivering high-quality education for the communities we serve, Stour Vale values its diversity. Each school brings their own distinct character, community, history and identity. We celebrate the uniqueness of member schools, recognising that there is a great deal to learn from education in different contexts. This is also the reason why we remain outward-looking, committed to learning from research and excellent practice across the education system.

OUR VISION AND VALUES

Stour Vale Academy Trust holds children and young people at the heart of all that we do. We recognise that as a multi-academy trust we exist in order to advance education for the public good. Our mission, therefore, is to improve life opportunities for children and young people by both providing the best possible education and care to pupils in Stour Vale member schools and by having a positive impact across the wider education system. Our values are encapsulated in four words:

OUR VALUES

INTEGRITY

By always acting with integrity we will deploy our resources appropriately to provide the very best education and care for pupils. This approach will enable us to recruit and retain the best staff who share our values.

We recognise our responsibility to support and challenge member schools to have a positive impact on the lives of children and young people, our communities and the wider educational system.

RESPECT

We are committed to treating everyone with respect and promoting equality.

Stour Vale member schools are safe and inclusive schools. We value and celebrate the diversity of pupils, colleagues and the communities we serve. We believe that developing pupils' character and their own commitment to treating others with respect must sit alongside the pursuit of academic excellence.

COLLABORATION

Stour Vale Academy Trust exists because we believe that effective collaboration has a positive impact on the life opportunities of children and young people.

We believe that working collaboratively together we have much greater capacity to realise continuous improvement in all member schools. Therefore, we seek to actively promote positive, impactful collaboration, most often with school-based staff taking the lead.

EXCELLENCE

We are committed to constantly pursuing excellence and improving all aspects of our work as a trust.

Excellence in teaching and learning, curriculum and character development is our primary focus. This will be achieved by realising our ambition to provide top-level professional learning for all colleagues, developing leadership in every role and providing exceptional back-office services such as HR and finance.

SVAT.ORG.UK

We describe our shared approach to school improvement as 'secure autonomy'. Headteachers, with school leadership teams and staff, have autonomy to lead school improvement in their own schools, responsively and in collaboration with others within and beyond our trust. We believe that this approach enables us to grow, attract and retain excellent school leaders and to develop the most innovative and impactful school improvement strategies. We recognise that this autonomy must be secured within the structure of the multi-academy trust, and our model of challenge and support for impact, underpinned by our shared values, ensures sustained school improvement and a sharp focus on outcomes for pupils. This in turn realises our ambition that **Stour Vale** member schools will *create the difference together*.

Mission, vision, values and motto

A school is defined by its culture and ethos – ‘the way things happen’. At The Wordsley School our culture and ethos is our unique selling point and together we strive to fulfil our mission, with a clear vision, motto and five key values that underpin our daily work.

OUR MISSION

To provide an outstanding and enjoyable educational experience for everyone in our Wordsley community

OUR VISION

We promote high levels of aspiration and achievement, and support each other to be the best we can be

OUR VALUES

CURIOSITY: we have enquiring minds and are keen to learn

INTEGRITY: we are honest and have strong moral principles

KINDNESS: we are friendly and considerate of each other

RESILIENCE: we respond well to challenge and are keen to improve

RESPECT: we have an appreciation and awareness of others

OUR MOTTO

BELIEVE · ACHIEVE · INSPIRE

The R.E. Department

RE is a growing GCSE option choice at Wordsley. This is due to a combination of a passion for the subject, the quality of teaching and the desire to see our pupils to succeed.

Religious Education at The Wordsley School enables students to explore key religious, philosophical, and ethical questions, helping them understand and critically evaluate diverse belief systems. The curriculum fosters critical thinking, self-reflection, and respectful dialogue, encouraging students to consider how worldviews shape individuals, communities, and societies. It also provides opportunities for students to reflect on their own beliefs, values, and assumptions, developing a deeper respect for different traditions.

In Year 7 pupils examine God's nature, creation and the environment, different religions places of worship, holy books and religious festivals. Moving into Year 8 Pupils continue to build on their knowledge to explore faith and living good lives, examining Jesus' death, the problem of evil, Jihad in Islam and alternative religions. Finally, in Year 9 pupils use all their prior knowledge to engage with the challenging ideas of morality without God, life after death, The Holocaust and Jewish identity, Christian doctrines today and WMD ethics.

Our curriculum is driven by our five Key Religious Concepts. These are Beliefs and Teachings, Practice and Lived Religion, Morality and Ethics, Authority and Interpretation and finally Identity and Diversity.

All our lessons, topics and assessments are tied to these concepts that help pupils tie knowledge to and develop through over time.

To continue the long-standing success at GCSE, pupils are equipped with the skills required to maximise the marks awarded in all the different exam questions throughout Key Stage Three. We have regular Key Assessed Tasks to help develop pupils' knowledge of exam technique but also our formalised Assessment Points throughout the Year help pupils retrieve and utilise their long-term knowledge from across all of their Key Stage Three Journey.

We currently have three groups studying GCSE RE. We deliver the Edexcel course and cover the units Living the Christian and Muslim Life, Crime and Punishment in Islam, Matters of Life and Death in Christianity, Christian and Muslim Beliefs, Marriage and the Family in Christianity and Peace and Conflict in Islam

At The Wordsley School, RE teaches students to listen actively, express their views confidently, and engage in meaningful discussion. By fostering empathy, cultural awareness, and moral reasoning, the subject challenges stereotypes and combats prejudice. Ultimately, RE nurtures well-rounded, socially aware individuals ready to contribute positively to both our school community and a multicultural society.
