12. DATA SHARING WITH THIRD PARTIES AND SECURITY

12.1 All our third-party service providers are required to take appropriate security measures to protect your personal information in line with our policies. We do not allow our third-party service providers to use your personal data for their own purposes. We only permit them to process your personal data for specified purposes and in accordance with our instructions.

12.2 What about other third parties?

12.2.1 We may share your personal information with other third parties, for example if there was a TUPE transfer of staff in future. We may also need to share your personal information with a regulator or to otherwise comply with the law.

12.2.2 From time to time, we may disclose your personal data in response to a request for information pursuant to the Freedom of Information Act 2000 or following a data subject access request. We may approach you for your consent but, in any event, we will only disclose your personal data if we are satisfied that it is reasonable to do so in all the circumstances. This means that we may refuse to disclose some or all of your personal data following receipt of such a request.

12.3 We may sometimes transfer your personal data outside of the UK or EU if, for example, we are arranging a school trip and we are booking transport, accommodation or activities. In these circumstances, we will obtain your consent for us to process your data in this way.

13. DATA SECURITY

- 13.1 We have put in place appropriate security measures to prevent your personal information from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your personal information to those employees, agents, contractors and other third parties who have a business need to know. They will only process your personal information on our instructions and they are subject to a duty of confidentiality.
- 13.2 Third parties who are processing personal data on our behalf will only process your personal information on our instructions and where they have agreed to treat the information confidentially and to keep it secure.

14. DATA RETENTION

- 14.1 We will only retain your personal information for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, insurance or reporting requirements. To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements. - 15.4 The legal timescales for the school / trust to respond to a Subject Access Request is one calendar month, though sometimes a 60 day extension to this timescale may be added, depending on certain criteria; you would be informed if this extension was necessary. As the school/trust has limited staff resources outside of term time, we encourage staff to submit Subject Access Requests during term time and to avoid sending a request during periods when the School is closed or is about to close for the holidays where possible. This will assist us in responding to your request as promptly as possible. For further information about how we handle Subject Access Requests, please see our Data Protection Policy and Breach Response Plan.
- 15.5 You will not have to pay a fee to access your personal information (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is manifestly unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.
- 15.6 We may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). This is another appropriate security measure to ensure that personal information is not disclosed to any person who has no right to receive it.

16. RIGHT TO WITHDRAW CONSENT

- 16.1 In the limited circumstances where you may have provided your consent to the collection, processing and transfer of your personal information for a specific purpose, you have the right to withdraw your consent for that specific processing at any time. To withdraw your consent, please contact the Academy Data Protection Lead. Once we have received notification that you have withdrawn your consent, we will no longer process your information for the purpose or purposes you originally agreed to, unless we have another legitimate basis for doing so in law, or for safeguarding purposes.
