Welcome from the CEO

I never originally set out to establish a Multi Academy Trust. That simply was not the plan – at least not at first.

The journey began in 2010 at Burnt Mill Academy in Harlow. At that time, the school faced significant challenges and required rapid improvement. From the outset, it was clear that transforming outcomes for children depended on having talented, committed staff who shared a strong belief in what young people could achieve. With a clear vision, high expectations and a relentless focus on improving teaching and learning, the school quickly began to flourish, leading to significantly improved outcomes for pupils and recognition from Ofsted.

Inspired by what could be achieved through strong leadership, collaboration and a shared commitment to excellence, BMAT Education was established with a clear purpose: to provide exceptional educational opportunities for children and young people across our communities.

Today, our schools work closely together to share expertise, develop staff and create the very best experiences for pupils. While each school retains its own unique identity and strengths, all are united by a commitment to high standards, inclusion, ambition and continuous improvement.

At BMAT, we believe exceptional staff transform lives. Whether in teaching, leadership or support roles, every colleague plays an important part in helping children thrive academically, socially and emotionally. We are committed to attracting and developing talented professionals who are passionate about making a positive difference.

This candidate pack has been designed to give you an insight into Freshwaters Primary Academy, the role of SEND Co-Educator, and the values and culture that underpin our work. We hope it provides a clear understanding of our ambitions for our pupils, staff and wider community.

If you are inspired by what you read in this pack and share our commitment to delivering the very best for children and young people, we would be delighted to hear from you.

I wish you all the very best with your application and thank you again for your interest in Freshwaters Primary Academy and BMAT Education.

Helena Mills CBE

Welcome from the Headteacher

Welcome to Freshwaters Primary Academy. I am proud to lead a caring, inclusive and supportive school community where every child is encouraged to thrive and achieve their full potential.

At Freshwaters, we are committed to ensuring that every child feels safe, happy and inspired to learn. We believe that children achieve best when they feel valued, supported and confident within their learning environment, and we work hard to create a culture where all pupils can flourish academically, socially and emotionally.

Our dedicated staff team is passionate about delivering high-quality teaching and creating engaging learning experiences that develop curiosity, resilience and a lifelong love of learning. We have high expectations for all pupils and are committed to helping children grow into confident, independent learners who are well prepared for the next stage of their education and future life beyond the classroom.

Alongside academic achievement, we place great importance on wellbeing, personal development and building positive relationships with families and the wider community. We believe strong partnerships are key to supporting children's success and creating a positive and nurturing school experience.

Through our partnership with BMAT Education, we continue to strengthen the provision and opportunities available to both pupils and staff. Working collaboratively across the Trust allows us to share expertise, provide high-quality professional development and continually improve the experiences we offer within our school community.

Thank you for your interest in Freshwaters Primary Academy. We look forward to welcoming individuals who share our commitment to inclusion, aspiration and delivering the very best outcomes for children.
