On behalf of the Local Academy Committee, I would like to thank you for your interest in working at John Mason School.

If you join the school, you will become part of a school community focused on continuing an improvement journey with the ambitious goal of improving the life chances of all the learners we serve and on living our values of opportunity, respect and determination.

As governors drawn from the local community, we are committed to challenging the school to be the best it can be and united in our support of the school's staff as they take improvement plans forward and help students achieve success.

We are proud of our school and its goals; encouraged by professional development programmes that support staff and governors; and excited by the possibilities that come from a strong partnership between students, parents, staff and colleagues across Abingdon Learning Trust. # Introduction to JOHN MASON SCHOOL

John Mason School is an oversubscribed 11-18 comprehensive school in the riverside town of Abingdon. John Mason has a long history of opportunity-driven learning – at The Welsh Farm, on Duke of Edinburgh expeditions, on the sports field, or in the creative and performing arts. We know that our pupils learn more about themselves and each other when interacting in this way, growing resilience and confidence to take into the classroom.

The school is one of three comprehensives in the town and we work together, as part of the OX14 Partnership, and within our Trust family of schools. This gives us a local network of support in all that we do. We have a joint sixth form (JMF6) with Fitzharrys School, which is half a mile away, allowing us a broad and ambitious post-16 curriculum as well as opportunities for collaboration of teachers.

Across all year groups we offer a broad and balanced curriculum, which reflects our commitment to a well-rounded education that ensures visible success for all learners. We are committed to high quality teaching and learning which is supported by our developmental lesson observations, learning groups which are dedicated to persistent classroom problems and subject specific professional development. In addition to this, we offer a wide range of career pathways and welcome our staff to request external training.

We are committed to the well-being of our community, both staff and students. Our well-being team support a range of activities throughout the year including active challenges, free flu-jabs and the occasional bake off. We also have our very own well-being manager to support colleagues when needed. However, we know well-being is not just about cake, which is why we foster a supportive environment where professional development and collaborative working is key to success.

We believe that high standards of academic achievement and consistently high expectations of behaviour provide children with the stable and calm environment in which to learn effectively. We expect the best of our teachers; they must be passionate about their subjects and committed to continuing to learn themselves. This is at the heart of our community.
