

Application Support Pack

Welcome from The Headteacher

Dear Applicant,

We are an academy of 120 pupils, and we are continuing to grow. This gives the academy a close community atmosphere, where pupils feel safe and happy as they are supported and empowered to reach their full potential by a committed and dedicated staff team. We are proud of the fact that our academy is an amazing place, both to learn and to work.

Stanton Vale is an all-age academy with pupils joining from age two and potentially staying with us until they are nineteen. Pupils have a range of needs and abilities, and as such there are 5 curriculum Pathways and Avenues to meet their very individual needs.

We are a school designated to meet the needs of children with Severe Learning Difficulties (SLD). Previously, most pupils were recognised as having SLD, Profound and Multiple Learning Difficulties (PMLD) and very complex health needs.

There has been increased demand for places at the school since 2022 and many of these pupils are working at Pre-key Stage Standards and accessing the National Curriculum and we have an increasing number of pupils who are autistic. The school has responded to this demand by increasing capacity and re-designing the school curriculum and assessment systems which has had a positive impact on pupil engagement and progress.

Our staff team at Stanton Vale are resilient, dedicated and incredibly positive, celebrating every child and young person as an individual, always seeing the potential of every pupil and ensuring they reach that potential. Our staff team are aspirational and inspirational for themselves and for our pupils and their families.

We are a supportive community where everyone is valued and individuality is celebrated. Relationships between staff and pupils are extremely positive and a strength of the school. Relationships are fundamental to school life at Stanton Vale and it is through strong relationships with our pupils, their families and other agencies that we prepare our pupils for the transition into adulthood.

We have a talented staff team who have genuine ambition for the pupils they teach and for each other. Our governing body is supportive and challenging as well as being open to new ideas and fresh approaches.

Please see our website for more information about the school and how we work.

As well as making a positive contribution to the lives of our pupils, we can offer you:

- A supportive, collaborative and friendly staff environment where you will have the chance to make a real and positive impact on the lives of Stanton Vale pupils and their families.
- Professional and continuous training programmes and a supportive career progression
- Generous pension schemes (LPGS)
- A range of health and wellbeing services through Westfield Health
- Free, on-site car parking
- School social events
- A commitment to staff well-being

We welcome applications from candidates who, having read the application pack, feel they have the necessary skills, experience, and strength of character to fulfil the challenges of the role. Visits to the site are encouraged, please contact the school on 0115 972 9769 to arrange this.

I wish you well in your application.

Yours faithfully,

Emma Kehoe

About Stanton Vale School

Stanton Vale School is a vibrant all age special academy located in Long Eaton, working with students primarily from the south east of Derbyshire but also from Derby City, Nottinghamshire and Leicestershire. Our students' complex needs can act as a barrier to effective learning. The academy has a strong reputation for multi-disciplinary work aimed at overcoming these challenges. We then build on this by focusing on what students can do.

Our most complex students benefit from a specialist sensory based approach and learn through an experiential curriculum. Our more able students spend time working on key skills of learning and, at an appropriate time, their curriculum may become more formal in line with their developing skills and understanding. For all our students, outcomes rooted in their Education Health Care Plan (EHCP) are the driver to their learning and individual curriculum. As with any special school, we ensure equality of opportunity for our students and work hard to provide a range of additional activities such as college visits, residential activities, community visits and enhanced provision in sports and especially the arts.

The academy also benefits from having a dedicated nurse on site as well as access to speech & language therapy, physiotherapy and occupational therapy. Strong links with parents and governors are fostered through a range of formal and informal events with the academy striving to be at the centre of its community.

The students benefit from access to a swimming pool on site as well as specialist teaching spaces such as a 'soft mobility room', library, adapted kitchens. Externally we have large grounds. Dedicated play spaces are complimented with an allotment, quiet area and an outdoor willow learning space. Students also spend time at The Long Eaton School as well as attending Central College as appropriate. The academy is a MOVE Centre of Excellence as the purpose of MOVE is to help children gain functional mobility.

Chief Executive Officer
Esteem Multi-Academy Trust

About Esteem Multi-Academy Trust

Esteem MAT was formed in 2018 and now consists of fourteen academies from the East and West Midlands. Many of our pupils have special educational needs and/or disabilities or are disadvantaged. Therefore, inclusion is our watchword, and our vision is for Esteem to be a learning community of excellence for SEND and alternative provision in the Midlands.

However, we want mainstream schools to join us too as they have many pupils with SEND or who are disadvantaged. We want all our pupils to achieve their full potential whatever type of school they attend.

Our vision is to be a Trust that:

- Leads and supports our academies to provide the highest standards of education and development for all our pupils
- Enables academies with a shared sense of purpose to benefit from alignment whilst maintaining individuality
- Provides a strong, collective voice for our academies at a local and national level
- Delivers support and SEND expertise to our academies and to other schools and local authorities
- Our vision will be delivered via our three core strategic aims. Everything we do should be ultimately focused on doing these three things well:

We will provide an ambitious, inspirational, bespoke education, setting the foundation for the future and ensuring our young people are ready for the world.

We will deliver high standards and value for money from our support services, resources, estate and technology.

We will invest in and support our people, exploiting opportunities for collaborative, continual professional development, sharing of expertise and best practice.

Our people are our most valuable resource. We invest in them by providing high quality specialist training, opportunities to collaborate and develop their careers within Esteem.

We greatly value each school's unique identity, which reflect the diverse needs of the pupils. It is also important to us that our pupils feel they belong to their school community. This is why we believe that our schools need strong leaders and governors who understand their local context. Being part of a family of schools in a trust brings the added benefits of support and collaboration. We know that sharing ideas and working together are the best ways for our schools to continue to improve for the benefit of all our pupils.

Safeguarding and checks

Esteem Multi-Academy Trust is committed to safeguarding and promoting the welfare of all its students. We expect all staff, volunteers and agency staff to share this commitment. The successful candidate will be required to undertake a Disclosure and Barring Service (DBS) check. The possession of a criminal record will not necessarily prevent an applicant from obtaining this post, as all cases are judged individually according to the nature of the role and information provided. Esteem Multi-Academy Trust's Safeguarding Policy applies to all adults, including volunteers and agency staff, working in or on behalf of the MAT.

Each student's welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse e.g. those with special educational needs and disabilities, those living in adverse circumstances. We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world positively. We recognise that some children who have experienced abuse may harm others. We will always take a considered and sensitive approach in order that we can support all students within our academies.

The MAT pays full regard to the DfE 'Keeping Children Safe in Education September 2024' guidance. We ensure that all appropriate measures are applied in relation to everyone who works for the MAT who is likely to be perceived by the students as a safe and trustworthy adult including volunteers and agency staff. As part of our safer recruiting practises, we scrutinise applicants; verify their identity, academic or vocational qualifications, obtain professional and personal references, check full employment history and ensure the applicant's health and physical capacity is suitable to undertake the role. Interviews and DBS checks are also undertaken.

This post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions, cautions and bind-overs, including those regarded as "spent" must be declared. If you are currently working with children, either paid or voluntary, your current employer will be asked about disciplinary offences, including those related to children or young people (whether disciplinary sanction is current or time-expired), and whether you have been the subject of any child protection allegations or concerns and, if so, the outcome of any investigation or disciplinary proceedings. If you are not currently working with children, but have done in the past, that previous employer will be asked about these issues. Where neither your current or previous employment has involved working with children or young people, your current employer will be asked about your suitability to work with children and young people, although it may be answered "not applicable", where appropriate, if your work has not brought you in to contact with children or young people.
