

## **Rickmansworth School**

### **Job Description:**

Teacher of Science with Key Stage Coordinator

### **Salary:**

MPS/UPS incl. Fringe + TLRb £6,066

### **Purpose of role:**

To support the Head of Science and the Senior Leadership Team (SLT) in delivering whole school priorities and realising the school's shared vision. The post holder will demonstrate initiative and make a positive contribution to the Science Leadership Team, while providing strategic and operational leadership for curriculum development within a designated Key Stage. The role requires flexibility and responsiveness to adapt to the evolving needs of the school. In addition, the Science Key Stage Coordinator will support the Head of Science in monitoring student progress across the allocated Key Stage, ensuring that effective and timely interventions are implemented so that all students meet, and where possible exceed, the school's expectations for progress. Clear, purposeful and professional communication with the Science Leadership Team is essential, enabling prompt support and decisive action when required. The role also includes fulfilling the wider duties and professional expectations of a member of teaching staff, alongside acting as an appraiser for a colleague within the Science Department, contributing to a culture of high performance, reflection and continuous improvement.

### **Main Responsibilities**

#### **Leadership and Management:**

- Provide leadership for staff, students, and parents within the subject
- Serve as a role model in subject knowledge and uphold the highest standards of teaching and professional conduct
- Delegate tasks and responsibilities as appropriate to staff members
- Foster a positive and productive work ethos by encouraging teamwork and recognising the contributions of all staff
- Ensure that relationships and standards of behaviour among staff and students support the learning process
- Lead efforts to create a dynamic, innovative, and positive working environment, ensuring that all staff and students are in an atmosphere where they can realise their full potential
- Ensure assessments cater to a wide range of abilities and align with the school's overall policy
- Promote the sharing and implementation of good practices within the department
- Organise intervention sessions, including staffing, resources, and liaising with the SLT Lead
- Assist the Head of Department in creating and delivering a mentoring programme for disadvantaged students

#### **Teaching and Learning (Key Stage Coordinator):**

- Manage students' learning in line with the school's schemes of learning and policies
- Work with the science leadership team to ensure the quality of teaching and learning within the subject
- Take responsibility for the academic results of the Key Stage/subject
- Ensure that all students have a cohesive learning pathway that allows for progression, tailored to their individual needs
- Adapt lessons to ensure they meet the varying needs of students and promote progress in line with expectations.
- Ensure that all planning for learning is in place, fostering progress for all students.
- Implement and maintain procedures to monitor teaching and learning quality, including lesson

- observations and work scrutiny
- Track student progress over time and ensure interventions are in place for students who require additional support
- Develop and integrate school-wide priorities such as literacy, numeracy, and SMSC (Spiritual, Moral, Social, and Cultural development) into the science curriculum
- Inspire a passion for science, acting as a role model and demonstrating enthusiasm for the subject

#### **Teaching and Learning (Teacher)**

- Teach according to the designated times and locations outlined in the School timetable
- Use a variety of teaching and learning strategies to ensure lessons fulfil the School's pedagogical approach to teaching
- Take responsibility for and be accountable for the learning and progress of all students taught
- Set home learning for all students in line with the home learning timetable, ensuring it is set in accordance with school policies and feedback is provided
- Assess students' progress regularly in line with the School's policy
- Record assessment data when appropriate to assist department leaders in setting students and planning for intervention where needed
- Provide feedback to parents for each student taught through the School's reporting system and parents' consultation evenings
- Contribute to department planning for teaching and learning, including writing schemes of learning, long-term plans, sharing resources and creating curriculum documents and resources

#### **Strategic Development:**

- Contribute to the strategic development of the Key Stage within science and the overall department development plan.

#### **Communication**

- Liaise with the appropriate individuals (Subject Leader, Form Tutor, Director of Learning, Special Educational Needs Coordinator, etc.) if a student's achievement or behaviour becomes a concern, following the agreed procedures in the School's Behaviour for Learning Policy
- Respond to requests for information regarding students' behaviour or academic progress as needed
- Collaborate with Learning Support Assistants and Technicians to ensure that all students have the best possible opportunity to learn
- Attend all meetings as outlined in the directed time calendar
- Maintain accurate registers for students in lessons and form tutor times

#### **Monitoring and Assessment:**

- Ensure that students' work is marked in accordance with the school's guidelines
- Provide feedback to individual students or groups when required
- Use assessment data to inform future lesson planning
- Provide reports, grades, and written feedback on students as necessary
- Ensure that all lessons are registered using the school's electronic registration system

#### **Tutoring**

- Monitor the overall academic progress of each student in your tutor group
- Ensure that students are aware of and follow the School's Behaviour for Learning Policy and Code of Conduct, understanding behaviour expectations, rewards, and sanctions
- Regularly monitor students' adherence to uniform requirements and standards of personal appearance, taking appropriate action when necessary
- Promote strategies for good personal organisation and support homework completion
- Receive initial student absence letters and pass these on to reception via the register
- Act as the first point of contact for parents and teachers regarding matters related to the tutor group
- Distribute relevant information to students from the Student Bulletin and other sources

### **Subject Knowledge and Understanding:**

- Maintain an up-to-date understanding of subject knowledge, including programmes of study, level descriptors, and examination specifications
- Continuously seek to improve and share subject knowledge, teaching strategies, and pedagogy to enhance the quality of teaching across the Key Stage

### **Professional Standards and Development:**

- Lead by example and maintain high standards of professionalism
- Provide cover for absent colleagues as per the School's 'rarely cover' policy
- Foster effective working relationships with all colleagues, ensuring that high standards are maintained in all lessons
- Seek professional development opportunities that benefit both personal growth and the wider school community
- Actively participate in the broader life of the school
- Ensure that practice supports professional standards relevant to career development.
- Support students with special educational needs (SEN) in accordance with the SEN Code of Practice, ensuring all vulnerable groups' needs are considered
- Organise and minute subject meetings
- Lead Key Stage meetings as required

### **General Duties**

- Participate in the School's appraisal process
- Ensure that principles of equality are upheld in all interactions with staff and students
- Carry out supervisory duties before and after school and at break times as per the published rota
- Adhere to all School policies and procedures
- Contribute towards achieving the School's aims and ambitions as outlined in the Strategic Plan, School Development Plan, and Department Development Plan
- Undertake any reasonable duties related to the job purpose and within the scope of the conditions of service outlined in the School Teacher's Pay and Conditions document
- Play an active role in the School's self-evaluation process
- Work within the School's Health and Safety policy, Safeguarding Policy, and Code of Conduct to help create a safe working environment for staff, students, and visitors
- Ensure compliance with the Teachers' Standards, actively engaging with ongoing learning and professional development

### **Alterations**

- The Headteacher may alter this job description, after discussing any alterations with you and giving you reasonable notice of the alterations.

### **Other Duties:**

You may be required to perform duties, appropriate to the post, other than those given in the job specification. The particular duties and responsibilities attached to posts may vary from time to time without changing the general character of the duties or the level of responsibility entailed. Such variations are a common occurrence and would not themselves justify reconsideration of the grading. As a result of such variations, it will be necessary to update this job specification from time to time.

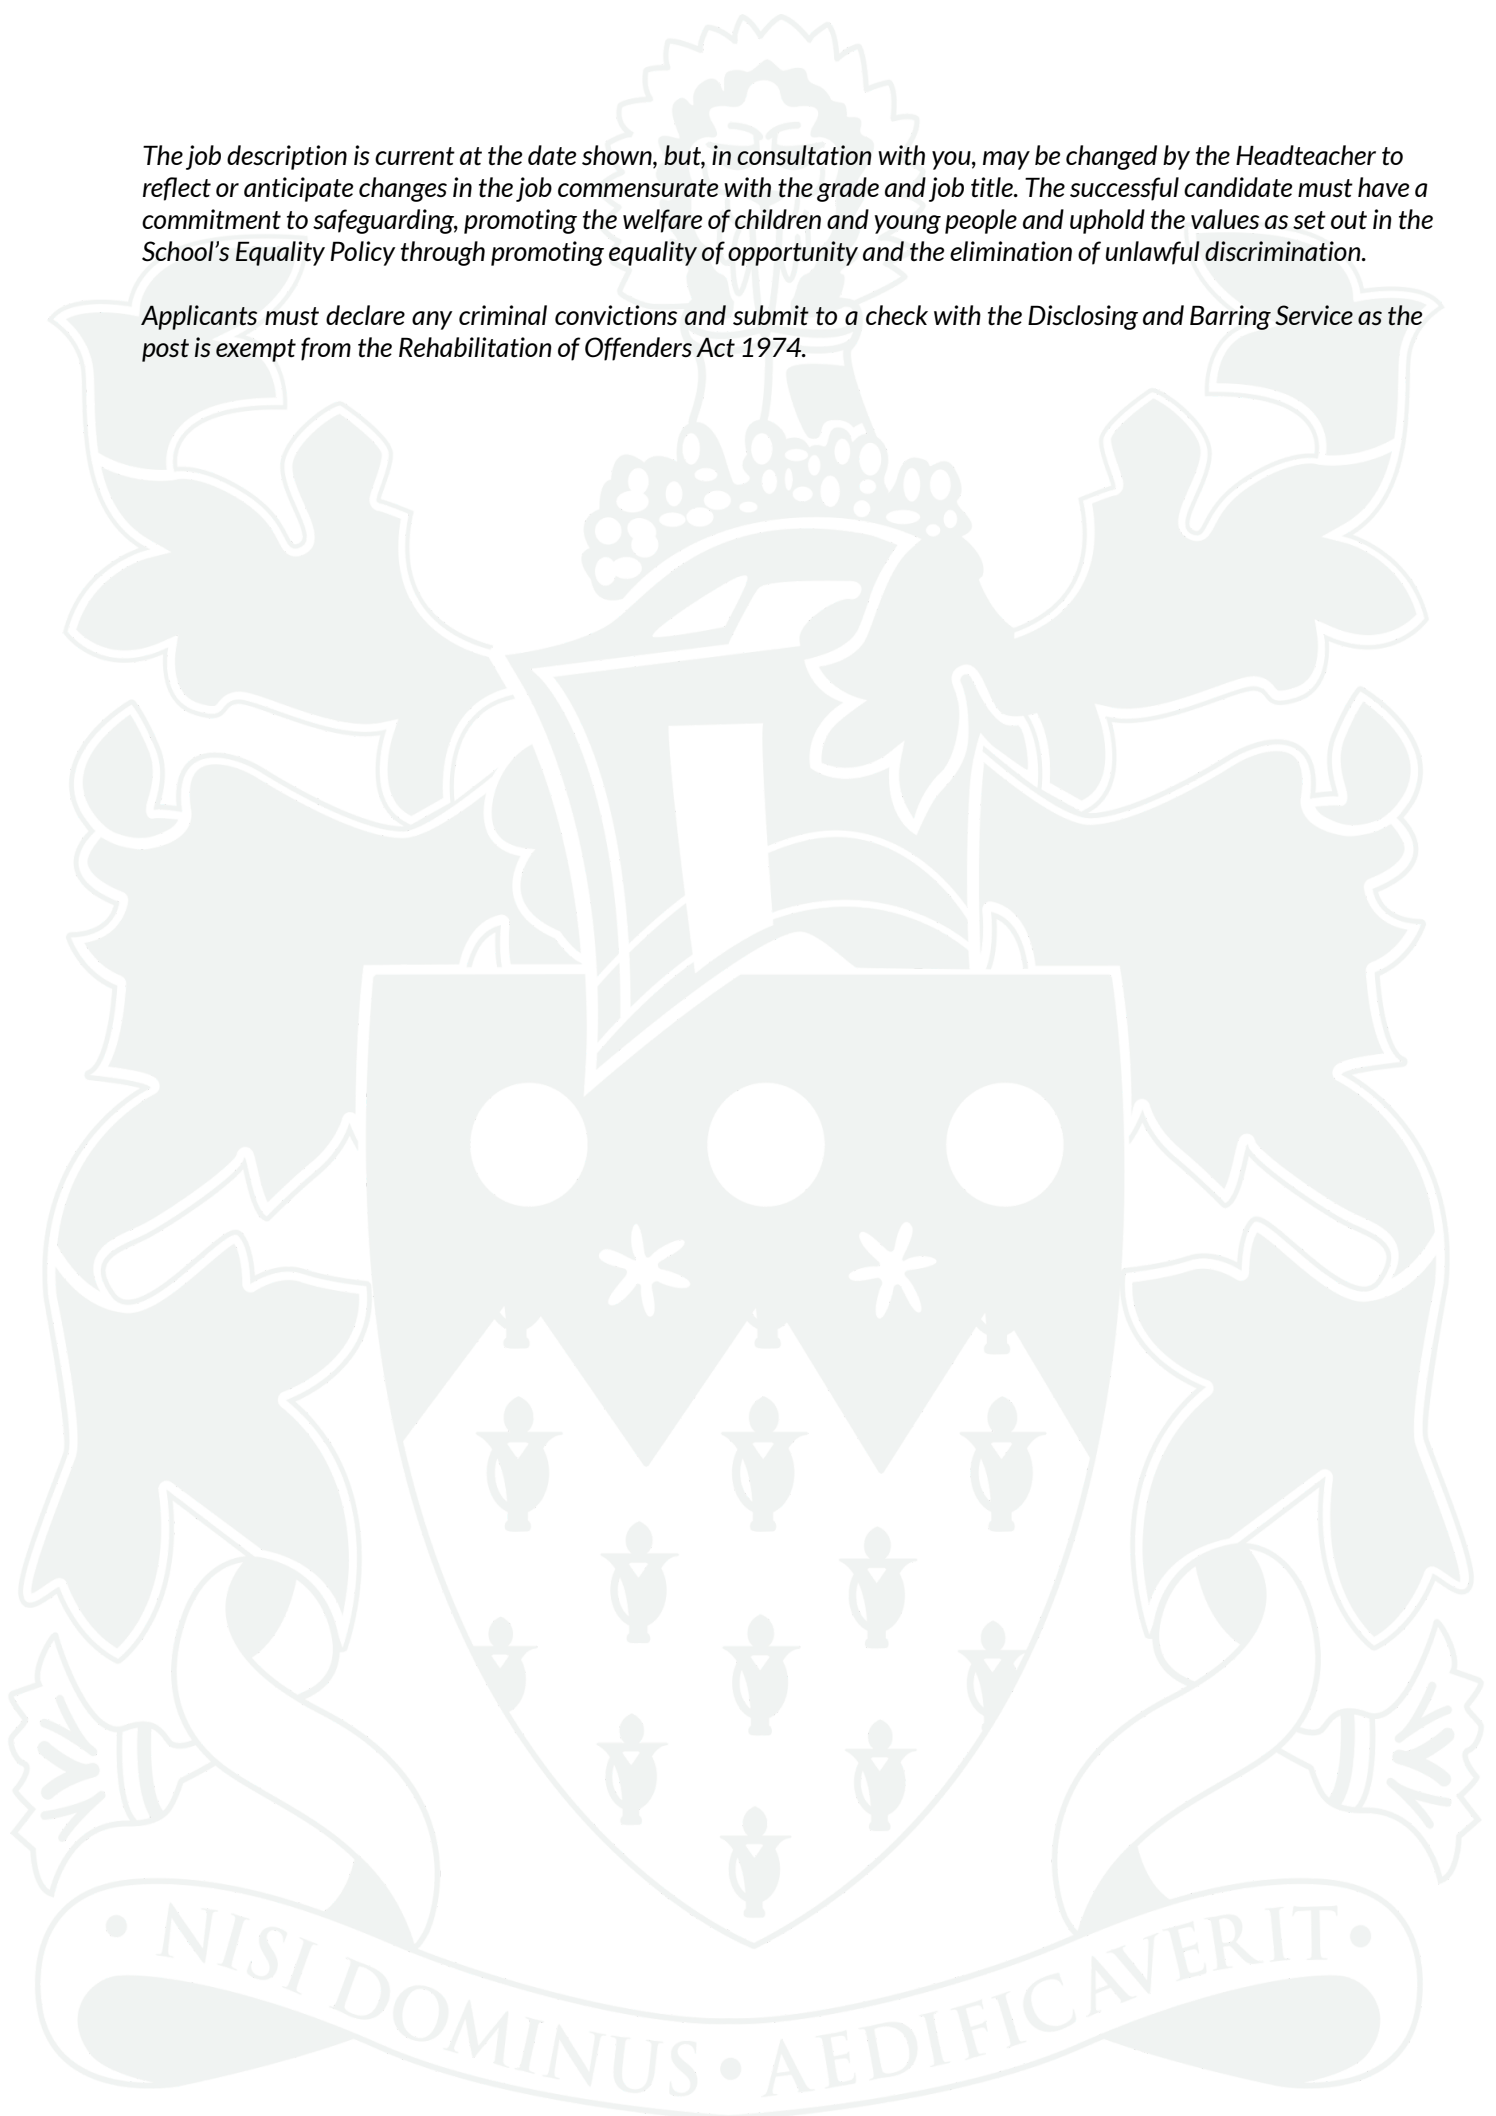

This job description allocates duties and responsibilities but does not direct the amount of time to be spent on carrying them out and no part of it may be so construed.

This job description is not necessarily a comprehensive description of the duties required but outlines the main responsibilities of the post. It will be reviewed annually and can be added to at the discretion of the Headteacher.

An enhanced DBS check will be required for this post.

*The job description is current at the date shown, but, in consultation with you, may be changed by the Headteacher to reflect or anticipate changes in the job commensurate with the grade and job title. The successful candidate must have a commitment to safeguarding, promoting the welfare of children and young people and uphold the values as set out in the School's Equality Policy through promoting equality of opportunity and the elimination of unlawful discrimination.*

*Applicants must declare any criminal convictions and submit to a check with the Disclosing and Barring Service as the post is exempt from the Rehabilitation of Offenders Act 1974.*
