

# Hampton Academies Trust

The Hampton Academies Trust was formed in September 2014 when Hampton College became a convertor academy and formed a multi-academy trust. One of the drivers for conversion was to allow us to bid for other local opportunities. In September 2015 following a competitive bid process, we were named by Peterborough City Council and Cambridgeshire County Council as the preferred education provider for the new secondary school in the locality, Hampton Gardens School.

The name of the Trust reflects our local focus and we have no current plans to expand our operations beyond the Peterborough/ Cambridgeshire area. We are not a corporate MAT (and do not want to be) and neither are we part of a regional/ national chain. Our vision is to retain our 'homegrown' status and manage our growth in a sustainable way. We believe that MAT working can be most successful when you concentrate on what you know best, in the community you are invested in.

## **Al Kingsley – Chair of Trust, Hampton Academies Trust**

Our overarching aim and vision is for our member schools to deliver an outstanding education for children and young people. We will ensure that all our pupils and students have access to the highest standards of teaching, resources and opportunities. Our role is to oversee the leadership and vision of our member schools and to develop partnerships between them. We encourage members of staff from our schools to meet together and share best practice, while our students will benefit from access to joint opportunities such as shared learning, trips and events, and working with a wider range of peers and teachers.

## **Dr Helen Price – Executive Headteacher, Hampton Academies Trust**

Helen had been at HAT's first school, Hampton College, since it opened in 2005 and became Headteacher in 2011. In 2014 when the school converted into a multi-academy trust, Helen became Executive Headteacher. In January 2017 Helen relinquished the day to day running of Hampton College and moved across full time into her trust role. Helen now oversees the strategic develop of all HAT schools.

## **Caroline Behan – Director of Finance and Resources, Hampton Academies Trust**

Caroline works closely with Helen at Trust level. She is an experienced and well-qualified financial and operational leader and joined the trust in 2014 having completed 10 years' service at St John Fisher School in Peterborough. Caroline is also highly experienced in the field of new build project management and procurement. Thanks to her stewardship and robust financial governance, the Trust is financially secure. Caroline is a key support to the Heads of School in terms of financial planning and resource management.
