## Welcome

Thank you for your interest in joining Seaton Valley High School at such a pivotal stage in our journey.

In September 2025, we entered an exciting new era by moving into our brand-new, purpose-built facility on Prospect Avenue. Alongside Whytrig Middle School and Seaton Sluice Middle School, we form the Seaton Valley Federation of Schools, united by a single governing body and a shared commitment to working as a cohesive community.

We take immense pride in the strong relationships we have cultivated with our students, families, and the wider area. Our dedication to excellence is reflected in the fact that all schools within our federation are rated 'Good' by Ofsted. A distinct advantage of our federation is the relatively small size of our schools; this allows us to truly know our students, responding to their individual needs to help them achieve their full potential.

We are fortunate to lead a passionate staff team dedicated to securing the best outcomes for every child. We have fostered a supportive and collaborative culture, evidenced by the many staff members who choose to build significant portions of their careers with us.

We are equally committed to your growth. Through strong partnerships across the North East, we ensure our teaching staff benefit from outstanding professional learning, while placing equal importance on the development of our support staff.

We hope this pack inspires you to apply. For an informal discussion, please contact us on 0191 2371505.

**Interim Executive Headteacher**

## Our Ethos and Values

We have three main themes to our ethos:

- To know every child academically and pastorally as a complete young person.
- To treat everyone and everything with respect.
- To strive for everyone to be as good as they can be and to be proud of doing well.

All three schools in the Seaton Valley Federation share a set of core values. We expect that all members of our school community will:

- develop their self-knowledge, self-esteem and self-confidence
- respect the laws of England and will know right from wrong and ensure their actions reflect this
- accept responsibility for their behaviour
- show initiative and contribute in a positive way to the school community, the local community and society in general
- show respect for each other and all other people
- show tolerance and respect for different cultures and traditions and will never act in such a way that these cultures or traditions are abused or attacked
- show respect for the rule of democracy and respect for the democratic principles of England.

## Our New Building

September 2025 brought a new era for Seaton Valley High School and Whytrig Middle School, as we moved into our new multi-million pound campus, featuring fantastic facilities for our students, staff and community, including fitness studio, swimming pool, 3G pitch. This has transformed the learning environment for students.

## About our Schools

	Age Range	Total Number of Pupils	Number in sixth Form
Seaton Valley High School	13 to 18 years	657	180
Seaton Sluice Middle School	9 to 13 years	314	N/A
Whytrig Middle School	9 to 13 years	329	N/A

Seaton Valley High School attracts students from outside the Seaton Valley area due to the inclusive nature of our school environment. Many students who have faced challenges elsewhere come to our school and thrive. Our dedicated staff are both caring and nurturing, ensuring that every child is given the support and opportunities needed to succeed.

We focus on positive relationships between all members of the school community. We aim to help develop our students' understanding of what positive relationships and behaviour look like and we strive to support those students who struggle with this, providing support for students wellbeing through our pastoral and counselling services.

We strive to support all students to achieve their full potential. This starts first through quality first teaching in each classroom – teachers knowing the students in front of them and adapting their teaching to suit the individual needs. Wraparound support is also put in place for those students who need it, especially from a pastoral and SEN perspective.

We also have a strong sixth form and we typically retain 75% of our Year 11 students for further study. This year we are launching our Sports Academy in 6th form making the most of the fantastic new sporting facilities.

## Our Commitment to safeguarding

Keeping our children and young people safe and secure is crucially important. We are committed to safeguarding and promoting the welfare of children and young people and we expect all staff and volunteers to share this commitment.

It is important during the recruitment process that we ensure candidates support this commitment. We will ask all applicants to tell us about any criminal convictions they have and the successful candidate will also need an enhanced certificate from the Disclosure and Barring Service (DBS). This does not mean that you cannot work here if you have a criminal conviction as we will take into account factors such as the age of the conviction, its relevance to the job and any mitigating factors before making a decision.

However we are aware that not everyone who is a risk to children will have a criminal conviction and therefore you should expect at interview that we will explore any gaps in your employment record, your motivations for working with children and young people and your ability to keep them safe from harm. We will also check this information in any references we receive, one of which must be from your current or last employer.

As part of our pre-employment checks, we will complete an online search of candidates.
