About Downe House

Downe House is a leading UK independent day and boarding school for girls aged 11 – 18. Downe has long enjoyed a reputation for delivering a world-class education, focused on outstanding academic and extracurricular provision, and pastoral excellence.

Downe House was founded in 1907 by Olive Willis, who held a strong belief that a school should meet the needs of young women by prizing the individual and creating a strong community. With over 550 pupils, today's Downe House lives out the message that "each individual matters", alongside its Christian foundation and core values of kindness and respect for others. A Downe education sets out to inspire our pupils to succeed – and to prepare them to become inspiring role models as citizens of a global community.

Our immersive education gives girls both the freedom and support to develop their talents and interests. Inspirational teaching, enriching co-curricular opportunities and personalised curricula bring out the best in each girl, with holistic pastoral support. The lifelong friendships formed here create an unrivalled network of talented alumnae helping each other succeed beyond Downe House.

The School has an established reputation for academic excellence as well as outstanding pastoral care. We offer a flexible approach to suit the individual needs of our families, and girls have the choice of joining us as full boarders, flexi boarders or day pupils. Many of the girls are boarders, and they live in one of the ten on-site boarding houses. The emphasis is very much on creating a 'home from home' environment, and each house is staffed by a committed and caring team – some of whom are residential. Our ethos is to put families at the heart of our education, from creating the right balance between family time, to working in partnership with parents to ensure every girl gets the most out of school life.

Our international focus reflects our commitment and ambition to share our education management expertise on a global scale and to provide opportunities for staff and young people all over the world. Academic staff have the opportunity to participate in a global teacher exchange programme with our partner school in Australia. Selected pupils can also participate in our Global Schools Exchange or Global Internships programmes. We are committed to creating a diverse and global community within our founding School in Berkshire, alongside our international Schools in Oman and the Kingdom of Saudi Arabia.
