Curriculum Overview

Our ambitious curriculum at Saltley Academy is built to inspire and challenge students, giving them opportunities to develop and become outstanding learners. It aligns with the WHMAT strategic vision for teaching and learning as it is both broad and rich, underpinned by our principle of respecting the rights of all in our community, and meets individual needs, allowing all students to secure outstanding achievements.

We aim to provide our students with a breadth of knowledge, skills and experiences that enable them to reach their full potential academically, culturally, socially, morally and spiritually. As a Rights Respecting School, Articles 29 (the goals of education) and 31 (the right to leisure, play and culture) are central to the aims of our curriculum.

Saltley Academy - Candidate Pack

At Saltley Academy students will:

- Experience a broad, rich and inspiring curriculum
- Be literate and numerate
- Learn to become active citizens
- Learn and develop the Saltley Outstanding Learner Qualities needed for success in life, including becoming confident, articulate orators
- Prepare for and secure the foundations for future progression

Outstanding Learner

The ten Outstanding Learner Qualities (OLQs) that students learn about and are expected to develop are embedded in each aspect of the school and feature in the form time and assembly curriculum. We see these qualities as integral to success and becoming life-long learners.

- Respect – Show it to earn it
- Independence – Show your skills
- Resilience – Show commitment
- Communication – Be understood
- Innovation – Be creative
- Leadership – Take responsibility
- Reflection – Take time to evaluate
- Knowledge – Apply it
- Collaboration – Be a team

Broad and Rich Curriculum

At KS3, the curriculum is broad, and students experience the full National Curriculum through each subject's learning journey, giving them opportunities to explore each subject and become junior experts e.g. junior historians whilst learning the key knowledge and principles required. Each learning journey has been carefully planned for all to make progress towards goals, sequenced to make sense and build on prior learning. Subjects make links with each other which allows students to make further meaningful links with knowledge information and skills and gives them further opportunities to recall and practise this knowledge and skills. Our curriculum at KS3 inspires students to develop the skills of enquiry and curiosity in order that they become lifelong learners.

Our curriculum is ambitious for all and academic rigour is integral to every curriculum pathway at KS4. Students are carefully matched to their pathway to ensure they are able to reach their potential, achieve academic success and continue their learning at Post 16 on the course of their choice. The English Baccalaureate suite of subjects is the most ambitious pathway, giving a breadth and depth of curriculum that will enable any chosen path in further education. The majority of students will take the Ebacc, while students who demonstrate the commitment, resilience and aptitude required, will also study separate Sciences instead of Combined Science. The majority of students will achieve 9 GCSEs at the end of Year 11, with selected students working towards 8 GCSEs, with an addition focus on the core subjects English and Maths.

Our curriculum maintains the flexibility needed for some of our students with high level SEND, either in mainstream or in the Bridge (our Resource Base for pupils with Autism). We are able to offer Asdan for preparation for life skills, and allow students to work towards Entry Level in the core subjects before taking the GCSEs in these subjects.
