North Oxfordshire Academy is seeking to appoint a Cleaner

North Oxfordshire Academy is seeking a reliable, hardworking, and proactive Cleaner to help maintain a safe, welcoming, and well-presented environment for our students, staff, and visitors. We are looking for someone who takes pride in their work, is organised, and can support the smooth running of a busy school through high standards of cleanliness and hygiene. The successful candidate will be a valued member of our site team and will contribute to the day-to-day upkeep of the academy.

North Oxfordshire Academy is part of United Learning, a unique group of independent and state schools working together to achieve the best in everyone. Our vision is to provide excellent education, so that all young people can make a success of their lives and, if we are to realise this vision, we need to make sure we attract, develop, and reward the key ingredient – high quality staff such as **you**.

North Oxfordshire Academy is committed to equal opportunities and to the protection and safety of all students and adults. We expect all staff and volunteers to share these commitments.

The post will be subject to an enhanced DBS Disclosure.

The successful candidate will fully embrace our values of Confidence, Ambition, Respect and Determination, and will have a working knowledge of how these will apply within a Secondary Academy context and within the role itself.

North Oxfordshire Academy is a caring and inclusive school. Staff know the pupils well and, as one parent described, “They always put the needs of the children at the heart of everything they do.”

A Letter From The Principal

Thank you for interest in joining North Oxfordshire Academy. I am lucky enough to have worked at NOA since 2011 and have seen first-hand how our community has transformed lives. I am very proud of our school and, most importantly, of the students and staff with whom we have the pleasure of spending each day. At the North Oxfordshire academy, we talk a lot about us being a family; a place where we all belong; all feel respected and an academy that supports children to be the very best version of themselves.

North Oxfordshire Academy is a place where students work hard to achieve their dreams. We believe that high quality academic outcomes are important, but our young people are so much more than grades. We develop character so our students become respectful, ambitious, and determined members of our community. We expect every member of the NOA community to work hard to pursue their dreams; relentless hard work builds character. We have an ambitious vision of providing our students with a world class education in character and academics. The reason North Oxfordshire Academy exists is to provide the very best life chances for our students. Our vision and mission keep us moving forward; we never settle and always want better for our NOA families.

I am often asked what I am looking for when I appoint great colleagues. I think the starting point is that you must love children and that you have the highest of standards. NOA students and families deserve the very best and I look to employ people who work with integrity and truly believe in giving service to our community. In short, I appoint people who I would want to teach and inspire my own children.

Working in a school is deeply rewarding but also requires resilience. At NOA we look after staff with sensible and well thought out wellbeing and workload polices. We know that to flourish at work we all must be fulfilled in our home lives; we strive to listen and act on feedback. Staff are well supported by United Learning in providing a rich professional development offer for both teachers and support staff. Alongside this the United Learning curriculum is well developed so that teachers and leaders have a wealth of planning support. United Learning provide all staff with more time, more pay, and more support so we can deliver the very best learning experience for our students and families.

I hope you have read this short introduction, and you feel aligned with our vision. I encourage you to come and see the academy `in action`; our wonderful students and staff are the real selling point, and I think when you meet them you will want to be part of the North Oxfordshire Academy family.

Mrs Ellie Jacobs, Principal

Why Work For Us?

The leadership of the academy is highly focused on creating an environment in which teachers can focus on their core role: to deliver excellent lessons. The student behaviour system is simple, easy to administer in lessons, and takes the burden away from teachers. Teachers at the Academy speak of this as one of the major benefits of working here.

In addition to this, teachers can expect:

- Discount scheme saves you money on supermarket shopping, gym memberships, holidays and more.
- Access to a Blue Light card.
- Health cash plan giving you money towards essential medical treatment.
- At least one guaranteed paid personal day each year, to use as you want.
- Access to a comprehensive wellbeing programme, providing support with issues from legal and financial to family and housing; access to free counselling; and other wellbeing support.

“The school’s curriculum is ambitious. Leaders have considered it in the context of their pupils’ aspirations. Consequently, leaders have introduced carefully chosen vocational pathways in key stages 4 and 5, which complement the broad range of academic courses.”

Part of United Learning

North Oxfordshire Academy is part of United Learning, a large, and growing, group of schools aiming to offer a life changing education to children and young people across England.

Our schools work as a team and achieve more by sharing than any single school could. Our subject specialists, our group-wide intranet, our own curriculum, and our online learning portal all help us share knowledge and resource, helping to simplify work processes and manage workloads for an improved work-life balance.

As a group, we can reward our staff better: with good career opportunities, better pay, benefits, and ultimately, the satisfaction of helping children to succeed. We invest in our staff wellbeing. Our academies each have at least eight INSET days per year (with three of those solely dedicated to planning), and an ongoing group-wide wellbeing programme. It's an ethos we call 'the best in everyone'.

“The school’s culture is highly inclusive. All pupils are considered part of the ‘NOA family’. Staff care that all pupils are happy and successful in all aspects of school life. Pupils understand that bullying, discrimination, and harassment are not acceptable.
