The Wensum Trust is seeking to appoint a hardworking and flexible colleague to join our site team at Acle Academy.

As part of The Wensum Trust, we believe that our shared duty is to help every child to develop into high achieving, confident, healthy, caring and resilient members of their family and community. We want our schools to be healthy environments where both children and staff can develop and where strong, positive relationships are key. Our school, therefore, practices a [relational approach](#) with children, our families and our communities. We are particularly interested in working with people who share [Our Qualities](#); who will work effectively and flexibly as part of a team.

Acle Academy is an oversubscribed secondary school for 11-16 year olds located in the heart of the Broadland area only seven miles from Norwich. We strive to create well-rounded, responsible individuals who seize opportunities, discover their passions and love to learn throughout life. Acle Academy has a strong academic reputation and was graded **Ofsted 'Good'** in 2022.

The post holder will play a key role in maintaining the appearance of the school sites as well as site security. We are looking for someone with energy, drive and enthusiasm. An awareness of health and safety is essential for this role as access to own transport.

Being a part of The Wensum Trust's family of schools offers employees unique experiences to work alongside our strategic partners and to collaborate with a wider network of staff. We believe in investing in employees as individuals, by providing training opportunities that help to develop both existing and new skill sets, to encourage career progression at all levels.

We care about bringing together the most able people, to help us achieve our vision of providing a rounded education for children, quality support for their families and opportunities to enrich our communities.
