

THE LEARNING PARTNERSHIP

Trust Lead of Mathematics

September 2026

Lead Practitioner Scale 10-14

Dear Applicant,

Thank you for your interest in the position of Trust Lead of Mathematics at The Learning Partnership Academies Trust. This person will report into both the Director of Secondary and the Deputy Headteacher at Sir William Stanier School. They will predominantly focus on the overall leadership of the subject of mathematics across our secondary schools within the Trust as well as the leadership of the mathematics department at Sir William Stanier School. We are looking for an enthusiastic, ambitious and inspirational leader who believes in the transformational power of education and who will promote exemplary academic standards and model leadership across our schools.

Our Trust is in its third year, and you would be entering at an exciting time, having significant impact on the next phase of our journey. The Trust has tremendous potential for growth and development, and you would play a key role in this, helping to take the progress of our current educational strategy and our journey of alignment to its next stage, transforming the lives of young people in our communities.

Our young people are an integral part of their communities, and we view that education sits at the heart of all that we do. We are looking for a candidate who is able to reflect this in their plans for leading mathematics across our secondary schools.

We are looking for applicants that have strong mathematical knowledge, exemplary leadership skills and experience of leading mathematics at school level. This must be clearly outlined and substantiated in the application.

Should you require further information, please do not hesitate to see or contact me. We look forward to receiving your application.

Yours faithfully

Dan Thomas
CEO
