

Person Specification

1:1 Teaching Assistant

The person specification below shows the key abilities, skills and experience we require in a 1:1 Teaching Assistant. The selection panel will assess each candidate against these criteria, expecting candidates to demonstrate knowledge and understanding of each area and to show evidence of having applied (or awareness of how to apply) this knowledge in the school context.

The information you provide on your application form should demonstrate how you meet the requirements listed in the person specification. This will determine whether you are invited for interview.
