

DR CHALLONER'S GRAMMAR SCHOOL

PURPOSE AND VALUES

We want our students to leave Dr Challoner's equipped for academic and career success, and ready to lead lives of integrity and service, contributing to a society that is fairer, kinder, and stronger for all.

This shared mission involves our whole community: staff, parents, governors, and students. By working together, we aim to shape a better future, one where our students make meaningful contributions as leaders in society, guided by their values and strengths.

All our staff are committed to preparing our students to flourish personally and professionally in adult life. To achieve this, we foster a rigorous school culture focused on two pillars: excellent learning & teaching and deep character development. Through this we ensure students gain the knowledge, understanding, and skills needed to succeed, while also helping them develop resilience, empathy, and a clear sense of purpose.

DCGS Learning and Teaching Purpose

The classroom culture at DCGS is consistently positive and inclusive, with staff upholding the highest expectations for every student, without exception. This is reflected in learners who actively engage, build expertise, and show strong motivation across all areas of their learning. As a result students achieve the best results they are capable of in all subjects meaning that the school's GCSE and A Level Attainment and Progress figures compare positively with comparator schools and progress data.

DCGS Character Development Purpose

DCGS students develop into young adults with a sense of belonging, purpose and contribution, and an understanding of themselves and others. They demonstrate this through aspirations to use their education wisely and kindly, whilst understanding how they can flourish and feel personally fulfilled.
