The Trust has considerable provenance in the development of wholly new settings having delivered 12 such projects from inception. At Wellspring Academy Trust we believe that every school is unique, because it has a unique history, it serves a unique community context and is full of unique individuals.

We value and celebrate the unique identities of our academies. We encourage them to innovate, create and develop their uniqueness because we want others to learn from them. Excellence is about diversity, not conformity.

We do not believe that one size fits all.

Our culture is: Open. Transparent. Outward-facing. Generous. Supportive. Collegial. Collaborative. Inclusive. Progressive. Plural. Courageous. Curious. Caring. Confident. Ethical. Respectful.

If you want to work with, and – more importantly – contribute to a culture like this, we might be a fit.
