Jodie Allen - Head of School

Supporting you into the world of education...

Starting Out in Education

Our school, and our Trust, has a long tradition of developing teaching and learning talent from the earliest stages of careers. Our support staff are pivotal in ensuring that our children maximise their learning experiences on a daily basis.

New starters to the world of education can expect full support to understand daily routines in school, to appreciate the importance of safeguarding regulations and dedicated coaching from one of our experienced Higher-Level Teaching Assistants.

We have a dedicated member of the school's Senior Leadership Team who has responsibility to the development of support staff. This leader meets regularly with support staff as a group, delivers meaningful training to help the team develop and spends time coaching on a one-to-one basis to help each member of our support team to develop a unique pathway for a career in education - if that choice is the right one for individuals.

Supporting your career, whichever stage you are at....

Your Next Step In Education

At Ullesthorpe, and across the nine Primary schools that make up our Trust in South Leicestershire, we have clearly defined pathways for progression. The routes available, fully supported by the school and Trust leadership teams, are currently:

- Apprenticeship training to become an Inclusive Learning Partner; working alongside the classroom teacher to deliver the appropriate bespoke support to children who need it.
- Gaining the HLTA qualification through an accredited provider.
- Pathways to teacher training, including dedicated support in school whether the training route you choose is school-based learning or university-based staged training.
- Specialism pathways, with supported training, if focussing on particular areas of support is right for you. This may include training and leading on academic mentoring, emotional literacy support, leading creative curriculum offers as just a few examples.

Supporting your career, whichever stage you are at....

Finding A Better Balance!

Some of our Trust's most successful and impactful support staff have chosen to come into education as a second or alternative career.

Whether that is motivated by a change in circumstances, such as having a school-aged family to look after, or a change in motivation, such as embracing a vocation and being able to give back to our community, Ullesthorpe can be the place for you to find that balance.

Once that balance has been restored, our Trust will always have new opportunities for enriching experiences across our schools. Our school leadership work closely with our Trust partners to ensure that those opportunities are shared with staff and that full support is given to those wishing to take them up!
