

Site Manager Whitefriars School

Pay Grade: G7

Salary: £36,824 - £38,951

Contract: Permanent

Full Time: 52 weeks

Role Profile

Job Purpose

Under the direction of the Headteacher and Head of Operations, the Site Manager is responsible for ensuring the school site is safe, secure, compliant and well maintained at all times.

The postholder will lead and manage the day-to-day operational running of the site, including prioritising workloads, supervising site staff, managing maintenance and ensuring statutory compliance. They ensure a high-quality learning environment for pupils and staff, while contributing to the strategic management and development of the school estate.

Key Accountabilities

Health and safety

- To promote the highest standards of health and safety, regulatory and compliance awareness amongst the site team and to lead and motivate the team to deliver high standards
- To create, maintain and monitor health and safety, risk assessment and statutory compliance processes and records and to be fully aware of the substance of any records and to actively implement any recommendations or actions arising.
- Ensure appropriate site inspections are in place and carried out to identify and report potential health & safety issues and that any concerns are responded to.
- To support the Head of Operations to prepare for inspections by maintaining a log of relevant information and compiling reports for as required.
- Liaising with teaching departments where specific health and safety requirements exist, e.g. Science and Cleapss, to ensure that the school is fully compliant.
- Responsible for all records of H&S testing (e.g. fire alarms, legionella, emergency lighting, PAT testing etc.).
- To report any health and Safety, risk or facilitates or site management concerns to the Head of Operations

Facilities and Site Management

- Lead the day-to-day management of the school site, ensuring buildings and grounds are safe, clean and well maintained
- Plan, prioritise and allocate daily, weekly and seasonal workloads for the site team
- Manage and oversee the planned preventative maintenance (PPM) programme
- Ensure effective systems are in place for reactive maintenance and fault reporting
- Undertake regular inspections and maintain accurate digital records of all checks and works
- Carry out minor repairs and maintenance within own competence
- Support the delivery of capital works, refurbishments and estate improvement projects

Site Manager

Whitefriars School

- Monitor utilities usage and promote efficient energy consumption
- Ensure the site is presented to a high standard at all times

Contractor and Compliance Management

- Procure (as directed) and manage external contractors including cleaning, grounds, waste, pest control and servicing providers
- Supervise contractors on site, ensuring compliance with safeguarding, health & safety and school procedures
- Ensure all contractor documentation (RAMS, insurances, DBS where applicable) is in place
- Monitor contractor performance and report concerns

Security and Safeguarding of the Site

- Ensure the security of the school site, including opening and closing procedures
- Oversee access control, alarms and site security systems
- Ensure buildings are secured after use and respond to security incidents
- Act as a key holder and respond to emergency call-outs where required
- Support safeguarding by ensuring the site is safe and secure for pupils, staff and visitors

Team Leadership

- Supervise and support site staff, ensuring high standards of performance and conduct
- Allocate work effectively and monitor completion
- Provide training, guidance and support to develop the team
- Provide cover for staff absence where required
- Promote a positive, proactive and professional team culture

School Transport

- Manage the school's minibuses, ensuring compliance with all relevant regulations
- Maintain accurate records of servicing, checks and driver documentation
- Ensure drivers meet requirements (licence checks, declarations, MIDAS training where applicable)

Other responsibilities & Attributes

- Act with integrity, professionalism and a strong sense of responsibility
- Be a visible and proactive presence across the school
- Contribute to the wider life of the school and support operational needs
- Maintain a strong understanding of safeguarding, inclusion and compliance responsibilities
- Comply with all school policies and procedures
- Undertake any duties commensurate with the role as directed by the Headteacher or Head of Operations

The postholder is line managed by the Headteacher or one of the Deputy Headteachers

Please note that the above is illustrative of the general nature and level of responsibility of the work to be undertaken, commensurate with the grade. It is not a comprehensive list of all tasks that the post holder will carry out. This job description may be amended at any time in consultation with the post holder.
