CHIEF EXECUTIVE OFFICER

WELCOME FROM THE HEADTEACHER

Firstly, thank you for your interest in applying for the post at Manor Academy. I am delighted that you wish to find out more about our Academy and I would like to give you a clear sense of our vision and priorities.

The Manor Academy is situated within the heart of the Mansfield Woodhouse community. The academy educates children from the ages of 11 to 18, we are proud to educate 1,250 students. In September 2016 the academy joined The Two Counties Trust.

At the Manor Academy we pride ourselves on developing our people. We want all of our staff to be enabled to thrive in their roles so they can provide excellent support to all of our children. Our core values run throughout our curriculum and make our academy a successful and enjoyable place of education.

Honesty: We are respectfully open about our successes and areas for growth.

We have very low turnover of staff and pride ourselves on ensuring all staff have the opportunity to professionally develop and to tap into high quality professional learning both external and that available in the Trust.

There is a lot to be proud of at Manor Academy, and the Governors along with all staff hold a common aim to work with students to ensure that the quality of provision and outcomes improves even further in the future. At Manor Academy, we are very proud of our reputation for the high standards of teaching, behaviour and academic achievement.

We have high expectations and encourage all students to meet them. All staff support the vision of the Manor Academy which is to ensure that all of our students develop their full range of talents and fulfil their academic potential regardless of their starting points.

The Manor Academy's partnerships with specialist organisations and schools gives our students countless opportunities for unique, life-enhancing experiences. Our partnership with The Royal Ballet School, for example, means that our students get access to workshops and classes led by specially trained ballet teachers.

The facilities at The Manor Academy are second to none; we have our own sports centre, a full-sized all-weather sports pitch, an outstanding cafe offering hot and cold food, a construction centre and an engineering workshop, a hair and beauty training salon and advanced ICT facilities.

The standard of teaching and of support is first class at Manor. Sustaining these standards is my top priority.

To develop and improve the academy further we need to recruit the best staff at every opportunity. We are looking for people who are committed to improving the life choices of Manor students and who can fit the caring, professional and ambitious profile of the staff already here.

If you haven't already, I would recommend that you visit the academy and see us in action. We are always happy to meet prospective applicants and to talk openly and honestly about the academy and the post on offer.

TOP TIPS FOR A SUCCESSFUL APPLICATION

Here are our top tips to help your application stand out and give you the best chance of getting shortlisted for an interview.

1. Always read the job profile

The job profiles includes details of the responsibilities of the role and the essential and desirable criteria we are looking for in the person specification. This list of criteria is what we will use to put together our shortlist, the more essential and desirable criteria you meet, the more likely you are to be invited for an interview. Make sure to read what we are looking for, and then highlight which points you meet when completing your application.

2. Complete as much detail as possible

We get many applications where some of the information is missing. We understand applications can be a lengthy process, but poorly completed applications give the impression that little effort has been made by the applicant. There also may be vital information missing that we need when making our selection decision. It is important to make sure your details are accurate and up to date. When going over your work history, make sure you mention any relevant experience you gained from those roles and do not leave gaps in your employment history. Where there are genuine gaps, you must address these.

3. Make sure your supporting statement is well constructed

Your supporting statement is your chance to show how you meet our person specification, so make sure you have the job profile document available to refer back to. This section is where you can really sell yourself and tell us anything that is relevant to the role you are applying for, and to highlight anything that will make your application stand out. Please ensure your supporting statement is focussed and should normally not extend beyond two sides of A4.

4. Proofread your application before submission

Once your application is complete and ready to submit, do one final read over to check for any mistakes and to make sure you are happy with all the information you have provided. Perhaps do one more check over the person specification and make sure you have demonstrated how you meet the criteria including examples where appropriate.

5. Be truthful

While you want to highlight all the experience you do have, be careful not to exaggerate your work history. This may get you an interview, but may not get you any further than that. Also be honest about what grades you received from your education history, as we will ask to see proof of qualifications.

6. References

We ask all applicants to provide the details of two people who will act for you as a referee. Please ensure one of them is your current/most recent employer and the other is from your most recent employment prior to this. If you do not have two employment referees, for example if you have just left school or university, you should use the course leader as your referee.

Your employment referee should not be a colleague but, the name of the most senior person who can provide a reference on behalf of the organisation. If you are currently working at a school the Headteacher **must** be cited as your referee. Make sure to provide all the relevant information; name of the person, what role they hold, in what capacity they know you and their email address. There is a tick box for you to let us know if you are happy for us to contact that referee before interview. We will never contact someone you do not give us permission to contact before interview. Once you have been offered a role, we will still wait for you to give us permission to contact that referee. Please note that any job offer is conditional upon receipt of two satisfactory references.

Equal Opportunities Monitoring

The Trust is committed to providing equality of opportunity to all candidates. As part of our application process we ask you to complete a separate equal opportunities monitoring form. This form is never shared with hiring managers and it will in no way affect your application. This information is collected for the Human Resources department to review statistics on who is applying for our jobs, and what we can do to attract a more diverse workforce.

We also want to identify anyone who may need adjustments to enable them to have a fair chance at the interview stage.

The Two Counties Trust is a Disability Confident Employer, amongst other things, this means that if you declare you have a disability and you meet all of our essential criteria (available in the person specification document) you should be offered an interview.

Please note that the Trust is committed to promoting and protecting the physical and mental health of all our employees.
