01 BACKGROUND

Thank you for your interest in this exciting opportunity here at Langley School. We are seeking a **part-time Teacher of Maths** to join our Maths department at **Langley School, Loddon.**

We are proud to have a vibrant educational community that is nestled in the picturesque Norfolk countryside. Our school is placed where tradition meets digital innovation and where every pupil is valued and encouraged to thrive.

From our youngest learners just beginning their journey in Nursery, to the ambitious young adults joining our Sixth Form, Langley School offers a nurturing environment that fosters growth, learning, and discovery.

Our expansive campuses provide the perfect backdrop for this adventure, offering over 100 acres of green space at each site for our pupils to explore and enjoy.

At Langley, we believe in the power of opportunity and the pursuit of excellence. Our core values - **kindness, confidence, curiosity, and integrity** - are the pillars that support every aspect of school life. We are dedicated to equipping our pupils with the skills they need to navigate the complexities of the modern world, such as creativity, resilience, and adaptability.

If you feel that you have the professional skills to join our dynamic team, then we look forward to receiving your application.

02 ABOUT LANGLEY

Langley is a co-educational, inclusive, day and boarding school from 6 months to 18 years old. We are fortunate to be set on two enviable 100+ acre countryside sites: the Pre-Prep and Prep school are based in Taverham; the Senior school and Sixth Form are just outside Loddon. Both sites have their own Nursery provision from 6 months to 5 years old which staff members use and enjoy. Funded hours are accepted across all EYFS age groups.

These stunning, green campus locations are a wonderful canvas that allow children space to breathe and grow, as well as enjoying the benefits of being on the doorstep of the vibrant and dynamic city of Norwich.

We are one of only nine HMC schools in Norfolk and Suffolk and offer day, flexi, weekly and full boarding.

03 THE ROLE

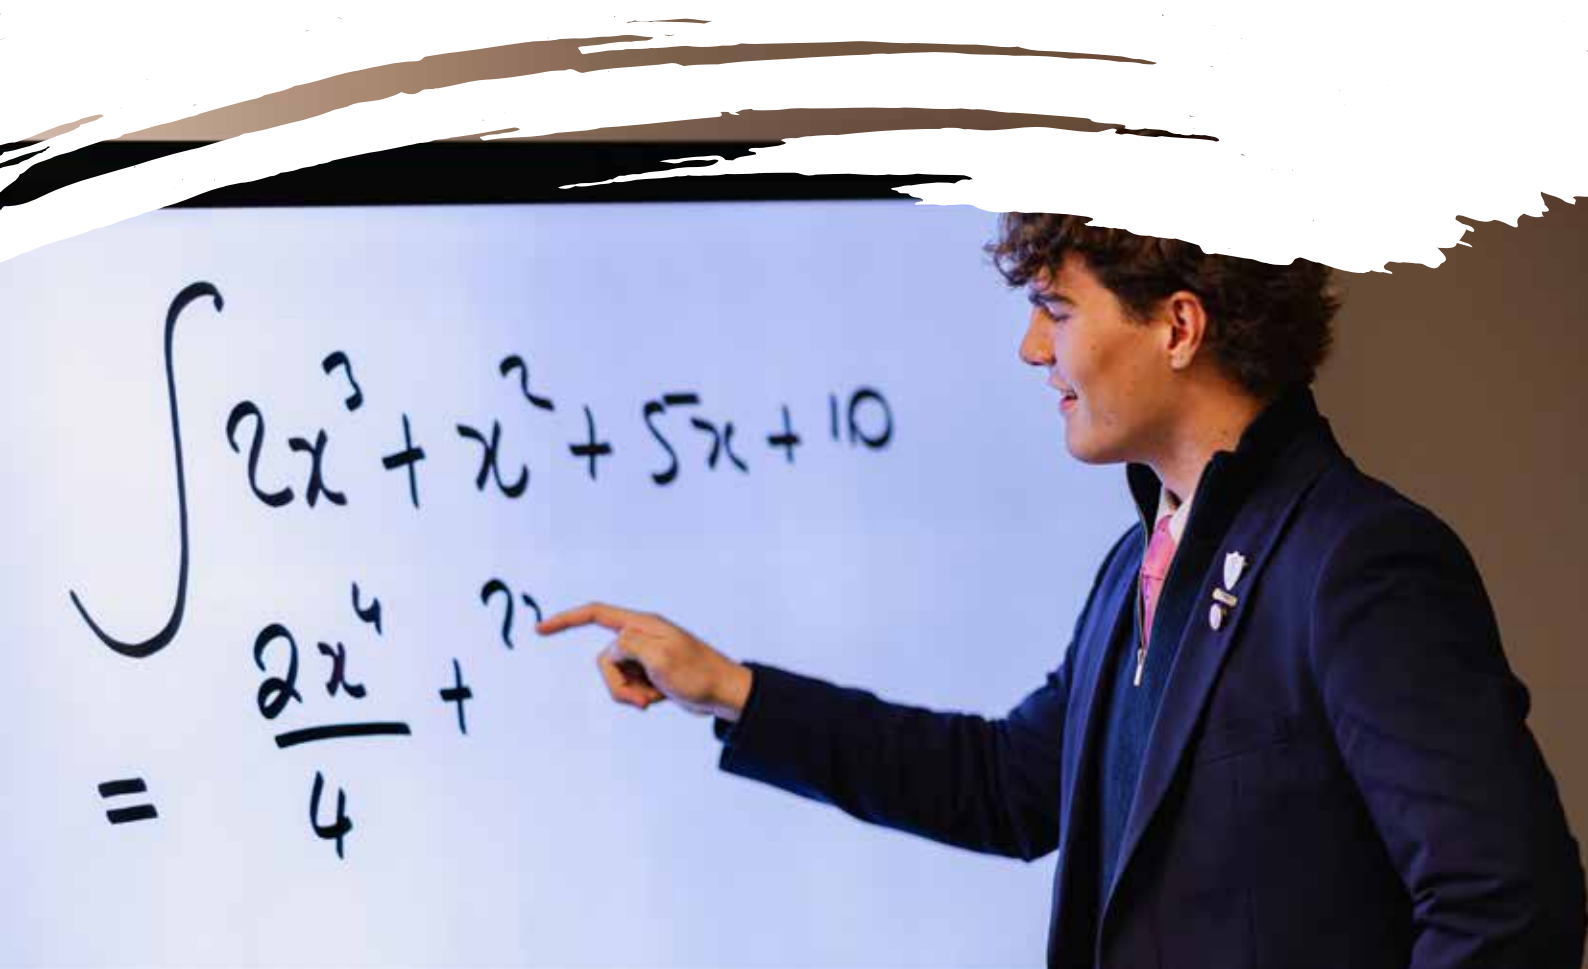

Langley School is seeking to appoint a part-time teacher of Maths from 1 September 2026 to teach maths, for pupils from year 6 through to GCSE and A-level classes.

This is a wonderful opportunity for a dedicated and enthusiastic individual who will contribute to development of our excellent department and deliver a stimulating and well balanced academic and co-curricular programme for our pupils.

We welcome applications from specialists in all areas of maths. The successful candidate will demonstrate the qualities and skills to inspire and motivate the pupils and ensure opportunities for all our pupils to enjoy maths.

Langley is a fantastic place to work, with wonderful staff, a supportive parent body, and interesting and interested young people all around us. There is a real sense of family and community warmth to Langley, and it's an environment that is both stimulating and rewarding.

All teachers at the school are form tutors and play an important role in the pastoral and extra-curricular life of a thriving independent school.

04 PURPOSE & JOB SPECIFICATION

This Job Description covers the principal tasks required of the role and is not necessarily a complete list of everything required for the full professional discharge of duties. Key responsibilities include:

- Deliver lessons using a variety of differentiated instructional techniques, that are appropriate to the academic level and meet the diverse needs of pupils.
- Plan and prepare high quality lessons that meet core objectives and principles and are aligned with the National Curriculum for KS2/ KS3, KS4 and KS5.
- Prepare instructional aids and supplementary teaching materials and resources consistent with learning objectives and pupil needs and which integrate the use of technology and pupil digital devices, where relevant.
- Utilise IT effectively to enhance lesson delivery and planning.
- Develop pupils' abilities to work independently and collaboratively in groups.
- Maintain the highest of expectations for pupil behaviour, fostering a positive and inclusive learning environment.
- Track and monitor pupil learning using a variety of formative and summative assessment methods, including grade assessments and assignments, and preparing and administering curriculum aligned assessments.
- Monitor pupil performance, progress, and modify instructional methods to meet individual needs and plan, deliver and evaluate additional intervention to address under-achievement within the department.
- Prepare detailed and informative reports for parents, outlining pupil performance and actionable steps for further development.
- Be a reflective practitioner and respond positively to feedback.
- Collaborate effectively with colleagues to develop teaching strategies, resources, and schemes of work within the department.
- Promote and oversee departmental trips, initiatives and activities.
- Carry out weekly duties, as scheduled on the Duty Rota.
- Cover a Day Duty in the Boarding House on one Saturday/Sunday a year.
- Attend additional school events which can occur in the evening or at weekends on occasions (eg Parents Evenings, Information Evenings Open Mornings, Speech Day).
- Perform any other activities or roles, commensurate with the post, which are reasonably requested by the Executive Head or Head of School.
- Show clear commitment to safeguarding children.
