

BEDE ACADEMY

Emmanuel Schools Foundation

Teacher of Computer Science

VALUED, CHALLENGED, INSPIRED

WELCOME

Dear Applicant

I am thrilled to see your interest in applying for the role of Teacher of Computer Science at Bede Academy. Our Computer Science team deliver an exciting and high performing curriculum which engages our students and as a result we are growing our KS4 and KS5 curriculum offer to meet this demand. We are particularly excited by the coming introduction of our Digital T Level which is being developed in partnership with the University of Sunderland. This will complement our wider T Level Suite of courses as well as sit alongside our Computer Science A Level offer.

We believe ours is a truly exceptional school. As an all-through school, we serve students through their Nursery, Primary, Secondary and Post 16 education. As a Christian-ethos school of character for the whole community, everyone is welcome at Bede Academy whatever their background, or ability, or faith position. We are all united behind a clear moral purpose as summed up in Christ's offer of 'life in all its fullness' John 10:10. As a result, we are a school where staff are fully committed to ensuring that they provide the very best teaching, learning, individual support and enrichment opportunities for our students.

At Bede Academy, we put a great deal of emphasis on ensuring that staff can work in an environment where students want to learn, in both Primary and Secondary phases. As a result, students across both our Primary and Secondary phases achieve high standards of attainment – often significantly above regional and national standards. These high standards of academic success, underpinned by high levels of student attendance and behaviour are maintained because of a relentless commitment to high expectations both inside and outside of the classroom by all staff.

We focus on the holistic development of young people. Who a child becomes when they leave Bede matters just as much as their academic achievements. Outstanding teaching goes hand in hand with rich opportunities for character development. By putting character development at the heart of our mission, we seek to show students that our community is enriched by their willingness to use their gifts to serve others. A good work ethic, mutual respect and responsibility are key qualities which are nurtured in Bede Academy students of all ages, as we recognise that all are made in the image of God.

We truly believe that Bede Academy is a great place to learn as a student, and a great place to work as a member of staff. We are looking for someone to lead our Primary phase who holds the highest expectations of themselves, of their colleagues and of the students we all serve.

If this role, and our school excites you and aligns with your moral purpose, experience and ambitions then do not hesitate to contact us to explore this further.

Emmanuel Schools Foundation is committed to the safeguarding of children and all staff are expected to ensure that the Trust and its schools are safe and secure environments for students by observing the relevant and established Safeguarding policies and procedures. As the trust grows, this role is likely to grow and develop further

THE PERSON

We are seeking a passionate, dedicated Computer Science teacher to join our enthusiastic and forward-thinking team.

The department plays a key role in developing Digital Pathways and opportunities for students including links to Sunderland University.

The successful candidate will have strong subject knowledge and a genuine enthusiasm for inspiring students across the 11–18 age range, working collaboratively within a team of subject specialists to deliver high-quality teaching across Key Stages 3–5.

They will be well-qualified, self-motivating and adaptable, with a commitment to academic excellence and the flexibility to support other departments where appropriate.

You will possess a natural authority in the classroom.

You will aspire to be an outstanding teacher, combining a mastery of your subject with strong relationships with young people, and having a confident grasp of the craft of the classroom.

There is no requirement that individual teachers should be Christians, but it is essential however that all staff understand and enthusiastically support our mission, ethos and values.

There is a remarkable unity of purpose within the current staff team as individuals unite around our core beliefs that people are infinitely precious, gifted for a purpose and morally responsible.

A desire to work with the most deprived in our communities and those with low academic starting points, as well as with the most able and those from more privileged backgrounds, is an essential prerequisite.

If, prior to submitting your application, you wish to visit Bede Academy to find out more about the role and the school, then you would be most welcome
