# About Warwick Schools Foundation

Warwick Schools Foundation (the Foundation) proudly educates girls and boys from 3-18 years of age. We are one of the largest independent school charities in the country, with some 2,800 pupils and 800 staff, and are committed to providing an outstanding education for all our pupils while being an exceptional place to work and the first choice for those seeking independent education for their children.

Our historic schools are Warwick Junior School and Warwick School, which operate as a through-school for boys, and Warwick Preparatory School and the King's High School, which operate as a through-school for girls with a co-educational Pre-Prep.

These schools are located on the Foundation's 55-acre site in Warwick. Between them, they educate some 2,500 pupils and offer a unique model of education in the Midlands: co-education for our pupils aged 3 to 7, and single-sex education from age 7 onwards. This provides 'the best of both worlds' for our pupils: teaching specifically tailored to their needs with extensive learning opportunities to collaborate outside the classroom.

In 2021 we welcomed The Kingsley School, Royal Leamington Spa into our family of schools. Kingsley is an established and highly regarded school, and in 2025 will extend its educational provision to boys as well as girls all the way from 3-18.

# Our Facilities

## Warwick Campus

Home to some 2,500 pupils aged 3–18, the 55-acre Campus boasts outstanding and cutting-edge facilities for our pupils. The campus has received significant investment over recent decades, including Warwick Hall, which was completed in 2016.

King's High School was also relocated from its historic town centre site in 2019 to join Warwick Preparatory School and Warwick School in a purpose-built home on one spacious, green campus. As part of this relocation, facilities were developed for all schools including:

- Enhanced sports facilities, including a 3G rugby pitch for Warwick School, five netball and six tennis courts.
- A series of pedestrianised Quads.
- A shared Sixth Form Centre for both Warwick and King's High School students to enjoy for shared curriculum enrichment and social activities.
- Improved play space for Warwick Preparatory School, including a nursery garden and 'forest school'.
- A shared Music School for the pupils of King's High and Warwick Preparatory School.

## Leamington Campus

The Kingsley School is home to around 300 pupils. Situated in the centre of Leamington, the excellent facilities include the Prep School, Senior School, and a dedicated Sixth Form Centre. Twelve acres of playing fields are just a short drive away and include a pavilion and netball and tennis courts.

Investments over recent years have included a bright and welcoming new Learning Resource
