Welcome to St Mary's Catholic Academy

Thank you for considering St. Mary's Catholic Academy for the next stage in your career. We are seeking to appoint a Cleaner. St Mary's is a highly regarded oversubscribed Catholic Academy in Blackpool in the Diocese of Lancaster. The school is very much a Catholic family where everyone works together to support and challenge one another to be the best they can be.

Our Catholic Ethos founded on the hallmarks of:

Catholic

Caring

Community

Challenge

is key to our success. Students and staff are all encouraged, as our mission statement states, to grow in wisdom, understanding, self-esteem and closeness to God. Many of our staff and students are Catholic or Christian, we are joined by a number of staff and students who aren't, anyone is welcome become and be part of our family as long as they are willing to support and contribute to the ethos and success of the Academy.

As Head Teacher, I believe that a happy, highly trained and well supported staff is the key to our success. Staff at St Mary's received a full induction programme and access our outstanding weekly professional development. All teaching staff also have 70 minutes of additional non-contact time per fortnight to focus on their own area of interest in enhanced professional development. New staff are also supported by regular, weekly coaching meetings and support from their subject areas; a range of leadership development programmes is also available.

St Mary's is designated as Blackpool's research school and provides staff with the opportunity to benefit from the latest research and evidence in education. Everything we do, whether that be our innovative key stage 3 reading programme; our approach to revision and practice homework; or the design of our professional development curriculum for teachers; is researched evidence based.

Staff wellbeing is also a key part of our success as a school. A hard-working staff should be well supported and cared for to allow them to meet the demands made of teachers in a modern context. All staff are provided with their own personal laptop and extensive training and the support of colleagues. Staff are able to take advantage of the Schools Advisory Service Wellbeing package which offers access to Counselling, 24-hour GP helpline, Health advice and support, Physiotherapy advice and a range of other services. A well-resourced support team of IT technicians, admin staff, chaplaincy staff and site staff work hard to make sure the Academy runs smoothly and that teaching staff are well supported to focus on our core business of teaching. Workload issues are regularly discussed with our staff committee and policies around marking, assessment, reporting and home work are carefully designed to try and manage the workload for staff. An email protocol ensures staff are not disturbed by emails in an evening and small gestures like tea, coffee and biscuits served by our amazing housekeepers, free access to the school fitness suite; free annual flu jabs; a car valet service and regular staff social events all help to make our Academy and Trust a rewarding place to work. All of this work takes place in state of the art facilities. St Mary's was lucky enough to benefit from a 22.5 million point partial rebuild and refurbishment, we are so lucky to work in one of the best school building in the region.

Staff retention is high at St Mary's because staff are valued and in return work hard to ensure our students achieve the best possible outcomes. If what you have read so far is exciting and you feel that St Mary's is a community in which you will thrive and make a positive contribution to our ethos and journey, then we would love to receive your application. You will find more information about St Mary's and information specific to this role and the application process in the rest of this document.
