EMBRACING TRADITION • PURSUING EXCELLENCE • LEADING CHANGE

CEO WELCOME

Dear Applicant,

I am delighted that you have chosen to apply for a post with the City of London Academies Trust.

COLAT is driven by the ambition to deliver exceptional educational outcomes for the young people we serve, combining the heritage and traditions of the City of London Corporation with a creative and effective approach to teaching and learning.

Our expectations are high for both our students and our staff and as such we work to three core values: integrity, professionalism and care. We demonstrate real care by insisting on the highest expectations of behaviour in every phase and setting. Our curriculum is regularly reviewed and updated to ensure that every young person is afforded the knowledge and skills they need to be successful. We promote and support excellent classroom pedagogy as well as ensuring we have common approaches to assessment and intervention. This is how we care for our young people and ensure that they achieve the highest possible outcomes and are able to counter the many aspects of disadvantage they, their families and our wider communities experience.

Our 'Foundations of Excellence', which run through all Trust schools, have been the framework for our sector-leading success so far. These core principles led to the City of London and COLAT previously being recognised as the best performing academy chain for progress and attainment of disadvantaged children ('Chain Effects', The Sutton Trust). This fuels our determination to continue to develop the work we do, while remaining focused on the ambitions for our schools and making a significant difference to children's lives.

In striving for excellence in all aspects of our work, we are acutely aware that this will only be achieved through hard-working and motivated staff. Our care for staff means that we invest in our people, allowing them to grow and achieve their career goals within the Trust or beyond. We are committed to providing first-rate training and development opportunities to all our staff, in addition to excellent career advancement opportunities within our growing Trust.

In the classroom, and around school, we expect the kind of exemplary behaviour that allows our staff to generate exceptional learning outcomes for our children. Being sponsored by the City of London Corporation also means our staff benefit by having access to a huge range of resources, events and exciting learning opportunities that other Trusts are simply not able to offer.

We are always looking for like-minded individuals to join us on our journey. Making the choice to work for COLAT means making the choice to be part of an evolving, ambitious and supportive Trust where you are valued, encouraged and can develop your specific talents, whatever they may be. We look forward to receiving your application.

Yours faithfully,

WHO WE ARE

City of London Academies Trust operates schools in areas of significant disadvantage and believes strongly in the transformational nature of education.

We are unashamedly academic and unapologetically results driven because we recognise that strong SATs, GCSE and A level outcomes lead to increased life opportunities for our students. All our schools adopt a warm/strict approach, with every one of our School Leaders adhering to and aligning with our COLAT behaviour systems. Our simple, clear, and consistent routines, rituals and norms embed strong habits delivering exceptional student behaviour. In our schools, our teachers can teach, and students can learn, uninterrupted. We take great pride in curating an exceptionally positive learning environment and we obsessively guard against anything which may compromise our strong ethos and culture.

Our curriculum is knowledge rich. We believe in teaching 'powerful knowledge,' and educating our students on the 'best that's been thought and said' is crucial to giving them the best possible chance of success in life. More broadly, we find opportunities to elevate the curriculum to ensure our most able students can compete with their more privileged peers. Our curriculum is coherently and intelligently sequenced, with our Subject Improvement Leads working closely with Heads of Department to drive gains in learning and develop subject specific pedagogy. We are working on creating a standard curriculum in most of our subjects; this will help reduce teacher workload by taking away the production of high-quality resources and assessments, freeing up our expert teachers to grapple with the delivery of the content and focus on the learning.

Our teaching approach is influenced by the works of educationalists such as Doug Lemov. We are confident we know what works for schools in our specific context, and we have spent a long time codifying our approach, whilst also providing sufficient flexibility for our teachers to add their own unique personality and dynamism to their classrooms. Results are important to us, but we also place great emphasis on developing our students' sporting, artistic, musical, and linguistic talents. For our students to thrive in modern Britain, they must also have an appreciation, understanding and attachment to the rich cultural heritage of our country and its influence on the wider world. All our schools run an extended day to deliver an array of enrichment opportunities and super curricular sessions to provide a truly holistic education.

It is an exciting time to join the City of London Academies Trust, and we very much hope you will be inspired by what you learn about us. We are always excited to meet fellow professionals and there is no better way to get a true sense of a school's culture, values, and ethos than by visiting. We hope you take up this opportunity so you can see what life-changing opportunities our schools provide, and how integral our people are to this mission.

Principal's Welcome

The City of London Academy Southwark (CoLA-S), has been recognised as one of the most improved schools in the country at both GCSE and A-Level, and now sits in the top 20% for progress and attainment for both. In the five years from Summer 2019 to Summer 2024, A-Level A*-B outcomes have improved from 36% to 60%, a jump in ALPS progress scores from 7 to 3. At GCSE, the academy's progress score has improved by +0.97 to a P.8 in 2024 of 0.48. In this time, En/Ma 5+ outcomes have also improved from 36% to 63%. The academy is transforming the life chances of our students; but we're not done yet. In the summer of 2027, the academy's target is to be in the top 1% nationally for A-Level and GCSE outcomes.

How we've achieved this transformation is important to understand if you are considering working with us. Students thrive because we have instilled a nurturing, but highly academic and ambitious environment. The walls of the academy are adorned with the images of the most successful past students. On a termly basis, we celebrate the top academic performer alongside the most improved academic performer, in every year group, every term, in a whole school assembly. We live out the Trust-wide approach to running a 'Warm/Strict' school, with our own mantra of '**Good-Vibes/High-Expectations**'. Therefore, if you want to work in a positive, open and supportive environment to change young people's lives for the better, then look no further.

However, in order to flourish as a colleague at CoLA-S, you need to be prepared to work hard, embrace feedback, and live out our guiding value of **Integritas** on a daily basis. To us, *Integritas* means doing the right thing and owning your mistakes. Every half-term we anoint one student from the CoLA-S community our '*Integritas* winner'; the most highly prized accolade available to students. With it comes lunch with the Principal, the prestigious *Integritas* tie, and a life-time of respect. We expect our colleagues to live out this value to its fullest extent.

Our success has also been built upon rigorous planning. Our academic curriculums are built from threshold concepts specific to the subject discipline whilst the pastoral curriculum develops the whole child, enabling them to understand their role in a global world. This resonates with the academy's purpose; the **Exploration of Life**, as we know our students must leave CoLA-S fully abreast of the best of what has been thought, said and written from our collective humanity.

By joining CoLA-S you will become a part of the City of London family which includes over twenty other schools across the private and state sector as well as many guilds and organisations. We are sponsored by the City of London Corporation, an elected body that looks after the business district around St Paul's. Our relationship with the City fosters collaboration with exceptional educators across our affiliated schools.

The City of London Academy is well respected by the Bermondsey and Rotherhithe community. We are proud of what we have to offer and invite you to find out more. We would encourage you to contact the academy and see what is happening on the ground.
