Welcome

Dear Prospective Applicant,

Thank you for expressing an interest in the advertised position at Roundhay School.

We are looking for an enthusiastic and committed colleague who is willing to do **'whatever it takes'** to ensure that our amazing pupils get the very best school experience. As one of the first all-through schools, educating children from 4 to 18 with an outstanding Sixth Form of 500+, we are absolutely dedicated to continuing to improve in all areas. Despite our impressive results and history of success, we continue to have unrelenting ambition for the young people we serve, and you will not find the slightest hint of complacency.

Our truly comprehensive community reflects the cosmopolitan nature of Leeds, which we see as a real strength of the school. We also pride ourselves on having a strong ethos and our work is centred around our core values of being **Responsible, Resilient and Ready to Learn** and what it means to **be Roundhay**. We place real emphasis on traditional values of being respectful, wearing uniform with pride, having good manners, and showing gratitude. As a result of this approach, you will find a school which has the highest standards of behaviour, a calm atmosphere, and very positive staff-pupil relationships. We see this as everyone's responsibility and all staff, including those who are not classroom based, help support and uphold these values with our pupils.

Any member of staff joining our school will be offered a very warm welcome and unwavering support in all that you do. We genuinely value our staff and place real emphasis on staff induction, continuing professional development and wellbeing. Despite our size, we have an incredibly low staff turnover, which is clear evidence that Roundhay School is a remarkable place to work and learn, where staff morale is incredibly high.

If you share our desire to make a difference to the life chances of our pupils and feel that Roundhay School is the right community for you, we would very much welcome your application!

Yours faithfully,

Matthew Partington
Executive Headteacher

Department Overview

Design Technology

The Design Technology Department works from five specially designed, purpose-built technology rooms: two large Design & Technology workshops, one multi use room focussed on Textiles and two generously sized Food kitchens.

The department has access to a stock of dedicated iPads which are used to aid learning in lesson time and in the production of coursework. There is also access to bookable computer suits within the school where this is preferable for coursework lessons.

The Design Technology Department is made up of four teaching staff and 2 dedicated technicians. We have a full time Design & Technology based technician and a full-time technician who works and support staff across Food, Textiles and Art.

Key Stage 3 is taught on a carousel basis with students rotating between three areas. Students study D&T, Food and Textiles, completing projects that build their knowledge in each area, as well as preparing them for study in Key Stage 4 & 5. The staff build meaningful and impactful relationships with their classes. Students enjoy their lessons and are extremely proud of their outcomes which are taken home. The department makes a sizable contribution to the school's extra-curricular opportunities, community learning and transition programmes with clubs running five days a week. This supports an above and beyond approach to education and focuses on additional learning with a "just for fun" attitude to Design & Technology.

Key Stage 4 students have the opportunity to study a range of subjects in the department. Pupils can opt to take Design & Technology GCSE (AQA). We also offer the Level 1 / 2 Construction vocational option (Eduqas) and the Hospitality and Catering Vocational Option (Wjec). In addition, from September pupils will also be able to study Product Design at KS5 level at our on-site 6th form.

The Design & Technology department is well equipped with two large fully functioning workshops with a full class computer suite each, a range of typical machinery including laser cutter, five 3D printers, a range of Hegner and band saws, buffing machines, oscillating sanders, pewter casting crucible, metal and wood lathes, vertical belt sanders a plastic oven and two vacuum formers. We have recently invested heavily in additional portable workshop tools such as planer thicknessers, track saws, vinyl cutters, biscuit jointers and an air compressor with spray gun capabilities. We also have two CNC machines in the process of being restored.

Our workshops are joined to a large, dedicated technicians' workshop with an excellent full-time member of staff who prepares materials and works with staff to provide a high-quality experience for our students. This is equipped with a large table saw, grinder and grinding wet stone for tool maintenance, ample built in material storage and project organisation.

Each workshop is equipped with a fully stocked tool cupboard with a range of hand tools required for the subject, including soldering and electronics. We have access to a dedicated stock room used for extra-curricular club resources and additional materials where needed. Our technician helps deliver work to staff prior to lessons on request allowing for smooth lesson transition and resource planning and delivery.

The schemes of work are all updated regularly on a rolling cycle and would be ready for a September start at both KS3, KS4 and KS5 level. There is also scope to develop schemes of work in conjunction with the Head of Design & Technology. We are a social and friendly department who hold the students in high regard and take pride in what we do both as a team and as individual practitioners. We have a communal staffroom in the D&T department which is regularly used as a team during social time. We meet as a faculty when we have directed time available and work as a unit across each specialist area.

We are excited to meet the newest member of the team and know that by coming to work as part of the Roundhay D&T department that you will find a place where you are not only valued for your contribution, but get excellent support and CPD opportunities to improve your practice no matter what stage of teaching you are at. Importantly you will be joining a place where you can challenge yourself professionally and love your job at the same time.

School Overview

Our Mission Statement

Roundhay School is all about its pupils and we will do **'whatever it takes'** to ensure that each one reaches their full potential. We will never put limits on what our pupils can achieve, regardless of background or circumstance. Our focus on developing character, instilling confidence and a love of learning whilst teaching the importance of kindness, manners, and respect. We want all our pupils to make a positive contribution to school life and society, continuing to learn and develop for the rest of their lives.

Always responsible. Always resilient. Always ready to learn. Always Roundhay.

Our Pupils

The school population reflects the cosmopolitan nature of modern Leeds. The pupils come from a very wide variety of socio-economic and ethnic backgrounds; more than 27 languages are represented, with around 60% of our pupils drawn from the black and ethnic minorities. This gives the school great strength in its many endeavours and relationships.

'Pupils thrive academically and personally at Roundhay School'. Ofsted

We currently have around 2500 pupils in this 4-18 co-educational community comprehensive school, making it one of the largest within Leeds. Our specialist Dyslexia Base, our SEN provision, and our 500+ strong and very successful Sixth Form (one of the biggest in the region) are just some of our many strengths.

'Pupils behave very well'. Ofsted

'Pupils show exceptional levels of respect for others'. Ofsted

In September 2012 we became one of the first 'all-through' schools in the region, growing with a new intake every year. Our first primary cohorts joined up with the secondary aged pupils in September 2019. We have a separate £4.8 million purpose built Primary Campus located just a mile away from the Secondary Campus.

We are proud of our examination success at all key stages. At our Sixth Form, over 35 qualifications (including A Levels, BTECs and Cambridge Technicals) are taught and with excellent achievement we find that the majority of our students are able to progress to higher education including students going to Oxford and Cambridge Universities.

We have the highest expectations of every pupil and strive to achieve high standards in all that we do, both academically and socially.

'The school aspires for all pupils to be 'Recognisably Roundhay – responsible, resilient, and ready to learn'. This is something that pupils live out daily.' Ofsted

Our Staff

'Staff know each pupil individually. They work tirelessly to provide exceptional support'. Ofsted

We are fortunate to have highly committed, professional, and friendly staff, who have worked hard and successfully to establish a thriving learning community. Many staff have sent, or currently send, their own children to Roundhay, which is a real vote of confidence.

We also have other pupils who come from families with parents professionally involved in education, which helps to keep us on our toes! We take seriously the professional development of all our staff. As a school, we are heavily involved in Initial Teacher Training and are a strategic partner within a Teaching School Alliance (Red Kite) which involves sharing outstanding practice across four local authorities. School improvement and self-review are central to our drive to raise standards. We have around 270 staff, both associate and teaching, who work very hard as a team to ensure they support both the pupils and each other.

'The school has a 'whatever it takes' approach'. Ofsted

Our Location

The school's two campuses are situated in north-east Leeds, adjacent to Roundhay Park, and are surrounded by highly sought-after owner-occupied houses. The settings can only be described as impressive. The schools' grounds are magnificent; the campuses cover over 30 acres of parkland combined. We also serve some of the most economically and socially deprived areas of the city, as well as more favoured wards, giving us the rich mix of pupils that makes us a 'true comprehensive'. Currently, around 21% of our pupils are classified as being Pupil Premium children with 15% currently entitled to free school meals.

'All adults have a relentless focus on identifying and addressing barriers to learning to help all children to succeed'. Ofsted

Our Facilities

We have very good facilities, and since our Secondary Campus was rebuilt in 2004, we continue to invest heavily in ICT and in improving facilities to enhance the learning and teaching experience of pupils and staff alike. We expanded with a £4.8 million purpose built Primary campus in 2012 and a £12 million Pavilion building and artificial pitch on the Secondary site in 2017.

'Across the school, teachers have a shared understanding of the high-quality teaching approaches that best support pupils learning'. Ofsted

Our School Organisation

Our separate Primary Campus introduces two forms each year and houses upwards of 420 children. The Primary school day starts at 8.55am and ends at 3.20pm.

At our Secondary site, pupils are grouped for registration and for Personal, Social, Health and Citizenship Education in mixed-ability form groups. For teaching purposes, pupils are placed in a variety of groupings as appropriate, including setting and some mixed-ability grouping. Lessons at the Secondary Campus are 50 minutes in length, six per day, although the vast majority are double lessons. The secondary school day commences at 8.20am and finishes at 3.00pm, followed by extra-curricular activities.

'The expectations for what pupils will know and be able to do at the end of each stage of education are exceptionally high'. Ofsted

Our Pastoral Organisation and Leadership

Each campus (Primary and Secondary) has a Head of School. At the Secondary Campus Years 7, 8, 9, 10 and 11 are led by Heads of Year, assisted by teams of tutors, and overseen by member of the Leadership Team. Our Assistant Headteacher: Director of Sixth Form and her team are supported by Academic Mentors.

There is a strong tradition of support for both pupils and colleagues. Our Academic Support Tutors, Mentors, Behaviour Support workers and Raising Achievement teams have had a powerful effect on the positive implementation of our social inclusion strategies.

'Leaders act with a relentless moral purpose. They are committed to supporting every pupil and member of the staff team. They actively seek ways to manage staff workload and well-being. Staff are proud to work in this exceptional school'. Ofsted

Our Extra-Curricular Activities

We have a thriving and exceptional programme of music, drama, sports teams, outdoor pursuits, residential, art events, enrichment days and charity events! Everyone contributes, as we feel that it is a vital part of our role in developing the potential of all our pupils and building a cohesive community.

Our Community Links

The school has excellent links with the communities it serves and actively seeks to widen these. We believe that this vital 'citizenship work' demonstrates our ethos as a school, where courtesy, co-operation and commitment are more than just words!

School Policies

Our school policies, are available on our website or from the school upon written request. Our Sixth Form Prospectus and Ofsted report are also available to download from our website.

Safeguarding and Child Protection

Roundhay School is committed to safeguarding and promoting the welfare of children and young people and we expect all staff, volunteers, visitors, and contractors to share this commitment. All employment offers will be subject to pre-employment checks including references, an enhanced DBS check, online search, and other relevant checks in line with statutory guidance.

We have a designated senior member of the Leadership Team who is responsible for referring and monitoring any suspected case of abuse. All members of staff will receive training in line with our child protection policy.

Whistle Blowing

Our policy is to ensure that all staff are able to raise concerns about a danger, risk, malpractice or wrongdoing which is in the public interest in the knowledge that they will be protected from any potential reprisals.

Code of Conduct and Personal Behaviour

The school believes that it is essential for standards of conduct at work to be maintained to ensure delivery of quality services and to protect the wellbeing of all its employees and pupils. The Headteacher and Governing Body regard everyone working at our school as a role model to our pupils. As such, employees should conduct themselves with integrity, impartiality, and honesty. Furthermore, everyone in the school has an absolute duty to promote and safeguard the welfare of children. Registered teachers are in addition bound by the codes and professional values of the Teaching Regulation Agency, and the school considers the principles to apply to all staff employed at the school.

Equality and Diversity

Roundhay school is committed to providing an environment free from discrimination, bullying, harassment, and victimisation where all members of its community are treated with respect and dignity. The school aims to create a culture of diversity within its community, providing a dynamic working and learning environment, where all members are valued for their contribution.

Smoking Policy

Roundhay School is a no smoking building and site and all staff must adhere to this policy.

Online Safety and Acceptable Use Policy

We encourage the use of ICT across the curriculum. On appointment, staff agree to abide by the above policy.
