RECRUITMENT INFORMATION

CARLTON
ACADEMY TRUST

CEO – FOREWORD

MR ADRIAN KNEESHAW

CAT is a Bradford-based Trust formed in 2019 out of the success of its founding school Carlton Bolling. Since then, the Trust has experienced rapid growth, currently comprising six schools; three secondary, three primary and three special),

Our growth plan is different to most other Trusts, in that we don't have ambitions to develop a huge size and scale. We plan to limit growth to around 10 schools, after which we will concentrate our resources solely on improving quality of outcomes across the Trust, in line with our mission of 'Excellence for All'.

Being 'Good' is not sufficient for us, and we aspire to make all our schools 'Outstanding', despite the numerous challenges many of our schools and students face. This commitment to high standards can be seen through the Trust and five of our schools being accredited as 'World Class', and the huge array of awards at local, regional, and national level.

We recognise the crucial importance of staff to our success, so do all we can to protect their wellbeing and enable them to reach their full potential. This includes stripping away unnecessary meetings and administrative tasks so that they can maximise their time concentrating on what they are trained to do. This both enables the 'outstanding' outcomes we aspire to whilst maintaining a healthy work-life balance.

The Trust also offers a comprehensive package of employee benefits through its 'Carlton Cares' programme, which are similar to those found in many large private sector employers. These include fully funded private health insurance (Simplyhealth) and Employee Assistance Programme (Spectrum.Life), in addition to salary sacrifice and employee discount schemes. Some schools also have early Friday finishing times, which are also popular amongst staff.

We have very high expectations of student behaviour and conduct, which makes schools a calm, welcoming and pleasant environment. This is evidenced in our Ofsted inspection reports, which clearly reference the high standards in this area.

I hope you can see that Carlton Academy Trust is a great place to work with an exciting future ahead. If you like what you hear and share our ambitions, we would very much like to hear from you and join us on our vision of 'Excellence for All'.

DIRECTOR OF PRIMARY

VICTORIA HARTFORD

I have had the absolute privilege of being the Director of Primary at Carlton Academy Trust since 2020, a role I embraced following the integration of Marshfield Primary School into the Trust. Without a doubt, this has been the most fulfilling decision of my career. Leading and supporting three world-class, multiple award-winning primary schools, including Thorpe Primary School and Carlton Mills Primary School has provided some of the most rewarding and memorable experiences to date.

At Carlton Academy Trust, we recruit individuals who share our passion for education and our commitment to making a positive impact on the lives of our children and their families. We recognise that our success hinges on having a motivated and dedicated team and we take great pride in ensuring our staff feel valued, supported, rewarded and celebrated. Our schools are places where teachers want to teach, where they can develop their skills, find their own teaching styles and grow alongside their children.

If you are searching for an innovative, forward-thinking, caring employer who will match and exceed your ambition to enact positive change in the lives of children and communities, Carlton Academy Trust could be the perfect fit for you. I encourage you to explore our websites and social media feeds to learn more about what we offer.

Each of our schools retains its unique identity while benefiting from the collective knowledge, experience and outstanding practices shared across the Trust. We understand that our staff are key to our success. Whether you are a newly qualified teacher, returning to the workplace, a member of support staff or an aspiring school leader, Carlton Academy Trust is utterly committed to supporting and developing your career.

Our schools are integral to our local communities, working together to ensure our staff feel valued, supported and able to maintain a healthy work-life balance. We are proud to be the kind of place where people want to work and where educators can thrive.

Welcome to Carlton Academy Trust, where your journey to 'Excellence for All' begins.
