BHGS is a company limited by guarantee Company number: 07831507 Charity number: EW01517

Job title:	Teacher of Psychology (additional hours may be available depending on subject offer)
Salary:	MPS / UPS + London Fringe
Hours:	Part-time / full-time (dependent on subject offer)
Responsible to:	Head of Science Faculty
Start Date:	September 2026 (1st July for an ECT)

We require an enthusiastic teacher of Psychology to teach A level in a supportive and friendly Science Faculty that achieves excellent results and high standards. This is a part-time role and candidates interested in teaching additional hours should make this clear in their statement of application, referring to subjects that they may be able to offer. See our website for our full curriculum offer. We are looking for a creative and imaginative individual to help all our students to 'achieve their potential and enjoy the journey'. The collaborative work environment in the Science Faculty encourages continuous professional development and career progression for staff. We welcome applications from both ECTs and experienced staff.

STEM subjects are highly valued and we are determined to challenge traditional stereotypes and to help our pupils break through any glass ceilings they may encounter. Psychology is a very well established subject with a strong uptake in the Sixth Form. Many of our pupils go on to study Psychology at University. The Faculty is exceptionally well resourced, with new laboratories and modern equipment. The enrichment offered to pupils is extensive including an annual Science Fair, Brain Day and many other themed activities, trips, visits and guest speakers. The collaborative work environment in Science encourages continuous professional development and career progression for staff.

Visitors tell us that our school is a friendly, lively and stimulating community where we emphasise the importance of the individual's contribution and take pleasure in sharing and celebrating achievement. They commend the good behaviour of the pupils and their thirst for knowledge. Bishop's is a diverse community that offers mutual support and encouragement and expects everyone within it to respect others' heritage, cultures, religion and beliefs. We hope that the values, self-discipline and sense of personal worth that pupils gain here will be a support throughout their lives as British and Global Citizens. We welcome applications from candidates from racially minoritised backgrounds and from other groups that are underrepresented in the UK education system.

"Pupils flourish and support each other to succeed"

This is an exciting opportunity to join the school at a time of growth and development. Science subjects make a huge contribution to the life of the school and we are looking for a candidate who will help to extend this work.

The school's Admissions' Code gives priority places to children of staff and we give high priority to staff development. Staff are able to apply for our Professional Development Award which provides bursary payments to help finance CPD that goes beyond the school's usual training programme.

We take safeguarding of our students extremely seriously and an enhanced disclosure will be sought through the Disclosure and Barring Service as part of the school's pre-employment checks.

If you would like to visit us, prior to making an application, and see for yourself how our pupils learn in a vibrant, supportive environment please contact Sally Fullerton at fullerton@bishophatfield.herts.sch.uk

Please see the job description for more detail.

*An Equal Opportunities' Employer,
Bishop's Hatfield Girls' School is committed to
the protection and safety of its pupils and expects all
staff to share this commitment.*

Closing date for applications: Friday 8th May, 9 am (early applications are welcome and we reserve the right to make an earlier appointment for a suitable candidate)

Interview and assessment date: To be confirmed
