Welcome to Roedean

Roedean is an extraordinary school on an extraordinary site – the girls play cricket and hockey with the sea's blue in front of them and the green of the South Downs behind them, the Maths and Humanities classrooms have perhaps the best views of any in the country, and which other boarding houses have been likened to a boutique hotel? But it is not just the location, but the strong academic focus with a genuine belief in the importance of creativity and an all-round education that makes Roedean unique.

This is an exciting time for Roedean which is marking the 141th anniversary of the foundation of the School, although it moved to its current site in 1898. Ever since its foundation, Roedean has been renowned for providing girls with an exceptional holistic education, and this certainly remains the case today: the girls excel in many fields, achieving excellent academic results, while also playing music beyond diploma level, debating in the Oxford Union finals, playing Netball in Sri Lanka, and throwing themselves into partnership work in the community and beyond. Students achieve Advanced 1 in Ballet, design and race their F24 electric car, exceptional artists can finish A Level Art in a year and then complete a certificated foundation year before applying for direct-

entry Art degrees, and over the last two years, two students have successfully solo swimming across the Channel to France.

The School numbers around 400 students, and about half of that number are day girls, joined by boarders from over 40 countries.

Roedean is clearly thriving and, in addition to the evident success in the Arts and particularly STEM subjects, as well as in many areas of school life beyond the curriculum, it is wonderful that the findings of our last three ISI Inspection reports in 2016, 2021, and 2025 all highlighted the excellence in Roedean provision and outcomes for students. Despite current pressures, it is clear that the School is in fine fettle, and where it will be in the coming years is an exciting prospect.

Roedean really is a great place to work – we hope that you would like to join us.

Why Work at Roedean?

At Roedean, we are seeking dedicated and enthusiastic members of staff, who are keen to prioritise the girls' well-being and happiness at all times. We are looking for those who enjoy working as part of a team, and who appreciate the importance of the girls' all-round experience at school. We are hoping that the girls will become life-long learners, always keen to undertake new challenges and learn from their experiences, and

Roedean has the same wish for its staff; the school is happy to provide support and training to facilitate the professional development if needed. All members of staff at Roedean enjoy strong and meaningful relationships with the girls, characterised by mutual trust and respect, and this was highlighted in our outstanding ISI Inspection report.

The School Today

Roedean numbers around 400 girls, bringing together students from over thirty-five countries around the world and those who live very locally; these different cultures and experiences add a great deal to the girls' experience, particularly in our increasingly globalised society, and ISI Inspectors remarked that 'the cultural development of pupils is excellent', and commented on the 'mutual tolerance and respect' which came from the integration between pupils from different countries, and between the day girls and those who board.

Founded in 1885 by three sisters to provide 'a thorough, physical, intellectual and moral' education with 'as much liberty as is consistent with safety', the School has always broken the mould. Today, Roedean is determined to empower the girls to challenge themselves to realise their considerable potential; they are given the opportunity to grow up at their own pace, not constrained by finite expectations, and they have the freedom to develop their talents and passions.

Roedean's ethos is clearly focused on the remarkable benefits of a holistic approach to education, in which academic pursuits are complemented by a wide range of co-curricular activities, and the founding Lawrence sisters would be delighted with their legacy today. With over 100 activities on offer every week, the girls enjoy international travel opportunities, a Farm on the school site, the annual House Drama Festival, and our flood-lit all-weather pitch at the heart of the School. Roedean girls excel in a range of sports, and many musicians and dancers perform

beyond Grade 8 level – all such activities have their own intrinsic value, but they also have huge benefits for the girls' academic endeavours. Our 'Wild Fridays' programme sees all of Year 7 and 8 spending every Friday afternoon outside, learning bushcraft skills and orienteering, looking after the animals on the Farm, and outdoor adventure – and they love it! All girls in Years 9 and 10 undertake Bronze and Silver Duke of Edinburgh's Awards, and some also have the opportunity to join the CCF contingent at Lancing College.

Our partnership with St Mark's Primary, in the Whitehawk estate, is hugely rewarding for the pupils at both schools – there are a range of joint weekly activities, we fund-raised and built a Library on their site from scratch, and one year-group comes to Roedean each week for a morning of academic and sporting enrichment. Furthermore, the Roedean Academy, a programme of academic enrichment for Year 10 students, brings together academically gifted and engaged students from six local schools in the maintained sector with those at Roedean, to challenge their academic expectations and broaden their horizons.

Philanthropy is also central to what we do. 100 hot meals are sent each week into the community to feed the homeless in Brighton, 12 girls travel to Moldova each year to teach English to Ukrainian refugees and Moldovan orphans, and the community raised over £48,000 for a range of charities last year.

ROEDEAN'S ETHOS

At Roedean, there can be no doubt that the girls' rounded education 'makes a considerable contribution to their personal development' (ISI Inspection), and it is precisely this which produces independent and creative young women who will make their mark in the world. In the same way that Roedean encourages the girls to pursue a

variety of interests, we expect the staff to be committed to the busy life of this boarding school; it is wonderful when staff join the orchestra or play in the staff-student sports fixtures, and the girls love it when members of staff congratulate them on their role in the previous night's play or the goal they scored in the fixture at the weekend.

ROEDEAN'S CAMPUS AND FACILITIES

Roedean is located on a beautiful 45-acre campus, and owns a further 75 acres of land adjacent to the site. It is the only school in the UK to be set within a National Park and on a coastline, as well as being in the boundaries of a vibrant city. The Grade II listed main building and Keswick House were designed by the leading Victorian architect and Roedean parent, Sir John Simpson, who also designed the original Wembley stadium. The main building incorporates the four main boarding houses, the dining rooms, the Library, and the teaching and administration spaces. Later additions include the Chapel, Science Laboratories, the Theatre and dance studios, the Music wing, Keswick House, and Lawrence House. We also have

an indoor swimming pool, a Sports Hall, which includes a multi-gym, and numerous playing fields to the front and side of the school. With a £1½ million refurbishment of the Sixth Form facilities in 2019, a small Farm on site with sheep and pygmy goats, a refurbishment of our 355-seat Theatre in 2021, and an all-weather flood-lit pitch at the heart of the School, Roedean certainly has wonderful facilities and buildings. A transformation of the Library was completed in April 2024 and delivers an outstanding study, research, and exhibition space within the School's original school hall, further enhancing Roedean's academic provision.
