You will be required to assist and support the Designated Safeguarding Lead, working collaboratively as part of an enthusiastic team, driven to ensure our students have access to a world class education and go on to lead great lives.

You will play a key part in building positive caring relationships with our parents and carers, working closely with those who require our support. You will be the point of contact for students and their parents when there are problems both inside and outside of school and you will triage the situation and decide on the next steps for that young person. It may be a referral to another member of the safeguarding team or it may be something that can be resolved on the spot by offering advice and guidance or practical support. Day to day tasks may involve facilitating restorative conversations, providing uniform and equipment, supporting students to attend school and lessons or just listening to students who are worried or upset.

## What you will be doing

### **Build Knowledge**

You will know the interventions that other members of the safeguarding team are responsible for. You will share knowledge with school staff, liaising with outside agencies where appropriate. This informs actions and planning other members of the safeguarding team and the wider staff involved with that young person. They effectively manage their responsibilities by recognising students needing immediate pastoral support, monitoring key priorities and aligning efforts with the overarching goal of improving outcomes.

### **Clarity and Energy**

In the role, the Trusted Adult exudes clarity and energy while implementing strategies. Ensuring young people and their families are accessing appropriate support which has a positive impact, requires an unrelenting drive for improvement with clear communication to students, staff, parents/carers and wider stakeholders. The postholder will be gregarious and enthusiastic in their interactions and solve problems creatively to overcome the challenges our students and their families face.

### **Follow Up**

Frequent and regular contact with families is required through diligent follow-up. Records on CPOMS are maintained to monitor and inform next steps.
