Welcome to Millennium Primary School: Our Curriculum Intent

At Millennium, we believe all children, no matter their starting point in life, should be exposed to experience and opportunities to stimulate, challenge and develop them as citizens. ▶

Millennium Primary School is based in South East London where we utilise both our location and the cultures around us to achieve our curriculum intent and to promote our core values.

The surrounding areas offer a range of educational learning opportunities that we incorporate into our school curriculum. We are a diverse school that welcomes children with different needs including physical needs, from different cultures, from different backgrounds and walks of life. At Millennium this is celebrated. We promote individuality, and understand that all children have different likes, needs, passions and dreams.

The school's curriculum is designed using the National Curriculum, our school values and enrichment of the community we live in. To achieve our intent we believe that children should be given opportunities to develop independence in their learning through teacher modelling and direction with opportunities to take risks, make mistakes and learn from working together collaboratively.

Our curriculum inspires and motivates children to be lifelong learners, equipped with the skills, knowledge and values to succeed both at Millennium and in their life beyond us.

Our values listed below are the thread that weaves through our school life, including our curriculum. They are a feature of the knowledge and skills we teach across subjects and the attitudes to learning that we seek to develop.

Respect
Resilience
Kindness
Curiosity
Ambition
Honesty

Maritime Academy Trust

Maritime is a charitable education trust with schools across London and the South East and led by the CEO – Nick Osborne.

As an education charity, Maritime is fully committed to advancing education for the public benefit. It is our mission to empower our schools with the means to drive ever greater and more enjoyable outcomes for children.

This is done by seeking out the intersection between logic and magic; between the knowledge children need, the skills that will enable them to navigate a future world of work that doesn't exist yet, and a journey through education that will stick with them as they grow.

Our Maritime Entrepreneurial Curriculum brings this all together, weaving essential skills and knowledge into a thematic approach to learning that is embraced by all of our schools. It culminates with our Maritime Expeditions: child-led learning showcases that demonstrate how children have found solutions to real-world challenges.

Like our name suggests, Maritime draws on the heritage of our original Greenwich home. We are explorers and adventurers who believe that our community grows stronger the more people we meet and the more we learn from them. Our whole approach to what we do, our whole mindset, is that through strong collaboration we can most effectively spark innovation throughout our schools. Collaborate, Innovate, Educate.

We are very proud of how we work together, approaching everything through the lens of our Maritime Behaviours, the ways of working that build towards our vision and make it enjoyable to be a part of the team.

As an employee of the Maritime Academy Trust you can expect:

- a positive working environment

Previous Employment

Enter names and addresses of all previous employers, starting with the most recent. Referees will be asked about past disciplinary actions or allegations excluding those that were deemed to be unfounded, unsubstantiated or malicious when assessing your application.

All posts in schools are exempt from the Rehabilitation of Offenders Act 1974; this means you must declare all convictions, including those that would normally be regarded as 'spent'. The existence of a criminal background does not automatically mean that you cannot be appointed but it may do so.

We need to know if you have a close relationship with and/or are related to any employee, governor or anyone else connected to the school, in order to ensure a fair selection process.

If you have a disability please provide details of any adjustments that you will require if shortlisted for an interview.
