The Best Start in Life

Appointment of

Teacher of Languages (Spanish and French)

12-month fixed term maternity cover

Application closing date: midday, Monday 11 May 2026

Start date: September 2026

Welcome from Mrs Jeffrey, Principal

“Thank you for your interest in this opportunity at New Hall School. I joined the New Hall School community 24 years ago and, now that I am both the longest serving Head of a school in HMC and the longest serving Head in New Hall’s history, I am often asked what has kept me here. It started with that first visit, in 2001, which blew me away. I remember meeting confident, characterful, good-humoured students, who made a lasting impression on me with their kindness and their evident pride in being part of the New Hall community. They spoke with passion about the work of the New Hall Voluntary Service (NHVS) as being central to School life. Their generosity of spirit and commitment to the care of those in need turned out to be a hallmark of a New Hall education. This is a place with a remarkable sense of community. At first, you will be attracted by the stunning

heritage site, but, above all, it is the people who keep you here. I would not want to move anywhere else. As a parent, I could not have asked for a better education than New Hall gave my four children. The staff team here work with remarkable commitment and care to ensure that our children have the ‘best start in life’. This is the school that many of us, staff and parents, wish that we had attended. I am looking forward to the next 20-year development plan!

New Hall, from its foundation, has been pioneering and innovative. The School is the UK’s oldest Catholic school that has always taken girls; a strong commitment to promote equality, and to address disadvantages in society for girls and women, still prevails. Our outreach and community work led us to be the first independent school to sponsor a state primary school academy. We were the first Catholic diamond model school and the first diamond model school to be created from a former girls’ senior school, with senior boys joining from 2006. The School has invested in exceptional outdoor learning, using its 180-acre campuses.

The School is large and diverse: in age, from 1-19; in size, with 1,400 students and over 300 staff; in culture, with students from over 25 countries; in religion, as a Catholic school, welcoming all who support our ethos; in structure, offering the full range of flexible boarding options and a mix of co-education and single-sex teaching; and in educational range, with a broad curriculum and an exceptional co-curricular programme. Every day is full of opportunities to learn and grow, for staff as well as for students. It is impossible to be bored here - no two days are the same!

This is an exciting opportunity to be part of one of the UK’s most successful schools, with an ambitious plan for further development. Where many independent schools are retracting and reducing investment, New Hall is bucking the trend and continuing to grow and to strengthen our provision. We are investing in our Sixth Form Centre, expanding our curriculum, growing our Sport provision (most recently, with the addition of riding, football and basketball) and enhancing our co-curriculum. We are open to opportunities to expand the work of our Trust, both in the UK and internationally, through our links with sister schools and Religious Communities. In particular, we are developing a link with the École Christ Ressuscité, Masaka, Rwanda, and with Heilig Graf Secundair, Turnhout, Belgium, which share the ethos of the Canonesses of the Holy Sepulchre. New Hall also works closely with the other Catholic independent schools in Brentwood Diocese.

I hope that you find the information contained in this pack, and on our website, helpful.”

Mrs Jeffrey and Mr Fardell, with the resident Canonesses at New Hall, receive their long service awards, having given 68 years of service between them, to Catholic education. The awards were presented by Bishop Alan Williams SM at Brentwood Cathedral

Mission & Ethos Statement

Our Most Valuable Resource – Our Staff Team

New Hall benefits from a stable and committed staff body, with retention and length of service significantly exceeding sector averages for UK independent boarding schools. Across the independent sector, annual staff turnover is typically in the region of 16-18%, and average tenure is often around three to four years. By contrast, New Hall reported an annual turnover of 3% in the last 12 months, and an average staff tenure of five years.

At New Hall, over 17% of employees have more than 10 years' service, reflecting the strength of our collegiate culture, clear sense of mission, and commitment to professional development. Currently, two staff (one teacher, one support staff) have served for over 40 years, and 24 staff have served for over 20 years.

Staff are supported and encouraged in their career development, including through generous funding for courses, and flexible working/sabbaticals for study and training. In 2024-25, 30% of staff progressed, internally or externally, into new roles, promotional opportunities, or additional responsibilities. Since 2020, New Hall has trained 11 staff as teachers, through the school-based PCGE and ECT courses. The School welcomes apprentices and graduate entry applicants for a range of roles, to have a diverse workforce, combining experienced staff and new talent.

The Spanish & French Departments

Building a love of language and an understanding of different cultures is at the heart of New Hall. We aim to encourage all our students to undertake some form of language qualification with an emphasis on building practical conversational skills. We are committed to providing opportunities for our students to visit different countries and to practise their language skills in situ. Furthermore, from 2023, the opening of our new Languages and Cookery suite has facilitated the introduction of our new “Learning Language through Food” initiative. Students receive cookery lessons based around the national cuisines of Spain and France, delivered by our language teachers, and supported by our Cookery Assistants, in the target language. This practical approach has been extremely popular with students and provides a unique career development opportunity for our languages staff.

Our Spanish and French Departments are made up of a team of dedicated and passionate teachers, which includes native speakers of both languages. Teachers are supported by enthusiastic Language Assistants, who primarily work with our GCSE and A Level students. Boarders at New Hall benefit from having subject specialists working within the Boarding Houses, which provides additional support for our languages students.

Alongside our provision for Spanish and French, we have a Teacher of Chinese, who takes a lead role within the Language & Culture sessions that we run in the Nursery and Pre-Prep Divisions, and who prepares our Chinese native speakers for their GCSE and A Level Mandarin examinations.

Students at New Hall are a delight to teach; and you can truly “teach”, using your full repertoire of strategies to engage and challenge. They are charming and funny but are, at the same time, focused on achievement. Due to our large boarding community, New Hall has a broad international student intake, including Spanish and French students. This creates an atmosphere of intercultural understanding and support for the study of other languages.

Facilities

The Modern Languages Department has 5 dedicated classrooms housed within Priory Court, a purpose-built, modern building that has the latest technology, which is extensively used in lessons. All teaching staff and students from Year 3 are provided with a School iPad. These are used to great effect in language lessons; textbooks are online and interactive, and we also use a range of apps and websites to supplement language-learning.

Our state-of-the-art, newly purpose-built cookery room is the perfect example of what makes New Hall different. Regularly, our classes are taught while cooking in the target language. This is also the perfect location to practise role-play activities, between customers and waiters, and to promote independence and resilience. Needless to say that such lessons are proving extremely popular!

Languages in the Curriculum

Both the Spanish and French Departments pride themselves on offering a curriculum that is relevant to students, focusing on developing their communication skills and enabling them to approach speaking the language with confidence in real situations. Within the curriculum, there are many opportunities for both linguistic and cultural development. These give students a better understanding of the languages they learn, within the context of the culture and society in which they are spoken.

At New Hall, a child's journey through language begins with our Language & Culture sessions across the Nursery and Pre-Prep Divisions. These sessions are delivered by class teachers with support from specialist language staff across a range of languages, including Spanish, French and Mandarin. From Year 3 within the Preparatory Division, we begin French lessons taught by specialist teachers, and we then introduce Spanish lessons from Year 5. The teachers within our Spanish and French Departments lead these sessions and this provides another rewarding career development opportunity.

In Year 7, we ask students to select either Spanish or French as their main language, which they will continue until at least the end of Year 9. A second language is offered at a later point. In Year 10, students begin their GCSE Options with both Spanish and French proving popular each year. Within the Sixth Form, both Spanish and French are available as A Level subjects. We offer the Edexcel GCSE and A Level specifications in both subjects.

Our innovative approach to the study of languages, and our desire to encourage students to use languages 'in real life', has led to the development of the teaching and examination of DELF and DELE Diplomas. These Diplomas run alongside our main GCSE and A Level provision and are designed to help students understand and use Spanish and French in a variety of situations. Awarded by the relevant Spanish/French government bodies, the Diplomas are available at levels from A1 (beginner) to C2 (master). We enter students for the level that best matches their ability, and the examinations can be sat at various points in the academic year; the courses are flexible and designed to nurture students' independence and resilience.

Languages in the Co-Curriculum

Outside the classroom, students can participate in Academic Societies and enrichment activities, such as the Soirée Française and the School-wide Hispanic Week in April/May. Subject Prefects are encouraged to foster a love of language-learning in younger students and enjoy supporting clubs and lessons in the Preparatory Divisions.

Students at New Hall also have many opportunities to practise their languages in situ and we are very proud of the wide range of co-curricular visits we offer. These include:

- All Year 6 pupils attend a language and activities week in Normandy
- Year 7 students studying French spend five days in Paris, including a visit to Parc Asterix
- Year 8 students studying Spanish are able to spend four days in Valencia
- Years 10-13 French students attend a full immersion language study trip in Montpellier or Nice
- Years 10-13 Spanish students have the chance to spend five days in Benalmádena for a full immersion language study trip

Alumni And University Destinations

Students who study Modern Languages at New Hall go on to have wide-ranging careers; some also choose to come back to New Hall to train to become Modern Languages teachers! Students who have chosen to continue their linguistic endeavours beyond New Hall have enjoyed successes at a range of Higher Education institutions. In recent years, our students have graduated from the following courses:

- Spanish and Russian, University of Cambridge; First Class
- Spanish and Italian, University of Kent; First Class
- French and Spanish, University of Exeter; First Class

Achievements and Awards

At New Hall, our Modern Language Departments have achieved record results in recent years. At A Level, around a third of grades across our languages departments are at A* with around 80% at A*/A. At GCSE, we see similar success, with over a quarter of all students achieving the highest grade 9 and almost two-thirds achieving grades 7-9.

Alongside these more traditional routes, our language Diplomas have become increasingly popular, with large numbers passing the A2/B1 levels and one student even reaching the C1 level in DELF.

Our innovative Modern Languages Cookery scheme won Best Experiential Learning at the Muddy Stiletto Best School Awards in 2024.

About New Hall School

New Hall School is a thriving co-educational boarding and day school for 1,400 students aged 1-19. Founded in 1642, it is one of the oldest Catholic schools and the largest Catholic boarding & day school in the UK. The School's ethos continues to be inspired by its founding Religious Community, the Canonesses of the Holy Sepulchre.

*"True community is where people listen to each other;
where the marginalised and excluded are included".*
(Canonesses of the Holy Sepulchre, 2023)

The charism of our founding Religious Community is service and hospitality; this is lived out in the actions of the volunteers that take part in this thriving and popular programme. Founded in 1978, the New Hall Voluntary Service (NHVS) has been providing help and support to vulnerable members of our local community for over 45 years. Volunteering for NHVS promotes an enduring community spirit, nurtures responsible citizenship and encourages student-led charitable endeavour throughout the local area.

New Hall is a warm, welcoming, and supportive community, with a staff of around 300. Staff enjoy an exceptional working environment. The main campus occupies the stunning Grade I listed former Tudor palace of Beaulieu, and is surrounded by 75 acres of beautiful parkland and heritage gardens. The School's conference and events venue is at the Grade I listed Boreham House, with 35 acres of grounds, one mile away. The School also owns New Hall Park Farm, a 70-acre site with an equestrian centre, 3-miles from New Hall.

Beaulieu Park railway station is at the entrance to New Hall's Avenue: 30 minutes to Stratford and 38 minutes to London Liverpool Street. The Elizabeth Line at Shenfield (13 minutes by train) terminates at Heathrow airport. There are nearby airports: London Stansted, London Southend and London City.

Chelmsford is a dynamic and welcoming city, with a population of around 190,000. Recognised as the *Sunday Times*' 'Best Place to Live in the East' in 2025 and 2018, and listed among the top ten best places in the East of England in 2019, it offers an exceptional quality of life. The city's rich history, vibrant cultural scene, and strong sense of community make it an attractive place to live and work.

An extraordinary school with a distinctive character and close-knit community, New Hall is popular with local, national and international families. The School is oversubscribed at key entry points. An early adopter of the diamond model, it offers a vibrant education for girls and boys, with single-sex teaching in the Senior Divisions for Years 7 to 11, and co-education in the early years, Preparatory Divisions and Sixth Form.

New Hall prides itself on the quality of teaching and learning. Seeking the highest possible levels of academic attainment is a priority. The School is equally proud to offer a rounded education, focused on developing the whole child. There is a strong emphasis on co-curricular enrichment – as recognised in its recent ISI Inspection reports. The School excels in sport, having recently been awarded Outstanding Sport in a Large School by the Independent Schools Association (ISA). Alongside traditional sports, it is home to the largest independent school ski team, benefits from a professional cricket coach, and is proud to include elite national golfers within its student body. With a well-established on-site farm, woodland school, and equestrian centre, the School makes the most of its unrivalled space to embed the many benefits of outdoor education into the curriculum for all age groups.

The School has made extensive capital investments across its estate over the past 20 years. Recent developments include: a purpose-built Nursery, a Sixth Form International Business & Languages Centre, a canopied outdoor performance space, a Chaplaincy suite, outdoor basketball courts, and a second Cookery room.

In 2012, the School established the New Hall Multi Academy Trust (NHMAT) and became sponsor of nearby Messing Primary School – an Ofsted-rated ‘Good’ school. It is now looking ahead to new ventures and exciting opportunities to further grow its partnership work.
