A WELCOME FROM THE HEADMASTER

I am delighted that you are considering applying to join the staff at St Albans School.

Founded in 948 AD, St Albans School is one of the oldest schools in the country, with a rich heritage of academic excellence and innovation. While proud of our long history, we are a forward-looking school that prepares young people to thrive in a rapidly changing world.

Our pupils are intellectually curious, enthusiastic, and ambitious and we aim to foster in them not only academic success but also a lifelong love of learning. At the heart of our approach is the belief that passionate, knowledgeable teaching inspires pupils to explore subjects in depth, think independently, and achieve their best.

Beyond the classroom, life at St Albans School is vibrant and full of opportunity. We offer a wide-ranging and inclusive co-curricular programme, with activities spanning music, sport, drama, debating, CCF, outdoor education, academic societies, and much more. This breadth is central to the all-round education we provide, helping pupils develop confidence, resilience, and a strong sense of community.

Our pastoral care is a cornerstone of school life. We want every pupil to feel known, supported and encouraged to be themselves. We work hard to create a positive, inclusive environment where young people feel safe to take risks, learn from setbacks, and grow into thoughtful, compassionate individuals.

We also recognise that great schools depend on great staff. We are committed to supporting the professional growth and wellbeing of our colleagues. Whether through our robust programme of professional development, opportunities for career progression, or our supportive and collegial atmosphere, we aim to ensure that our staff feel valued and thrive as part of the St Albans School community.

If you are excited by the idea of joining a school that combines high academic standards with a deep commitment to developing the whole person, then I warmly encourage you to apply.

We look forward to welcoming you to St Albans School.

Joe Silvester
Headmaster

CULTURE OF THE SCHOOL

St Albans School is a community rooted in over a thousand years of tradition, yet forward-looking in its ambition. Located in the heart of a historic city, we are very much of the community we serve, not apart from it. Guided by our motto, Non Nobis Nati - "Born Not For Ourselves" - and our School Values, we encourage pupils to look beyond themselves and contribute positively to the wider world.

Pupils and staff experience a welcoming, friendly and cohesive atmosphere where newcomers quickly feel part of the community; we not only welcome diversity but actively embrace it.

Classrooms are safe and supportive spaces that foster curiosity, risk-taking and intellectual challenge. Pedagogy is rooted in research, with the School among the first nationally to be awarded the coveted Chartered College of Teaching Research Mark Plus status. Teachers are responsive to the needs of each individual and nurture both academic potential and personal growth, equipping pupils with the skills and confidence they need for life beyond the school.

Pastoral care is a defining strength of the School. All staff are trained in safeguarding and contribute to pupil wellbeing. Our pastoral care builds confidence and resilience, supported by tutors, Heads of Section, Sixth Form prefects and a large safeguarding team. Additional provision is made by our School Nurses, Mental Health Support Mentors, and Counsellor, ensuring that every pupil is well known, supported and encouraged to thrive.

The School offers a distinctive co-curricular breadth, with 200+ clubs and activities, including a wide sporting programme, vibrant performing arts, and leadership and service

opportunities through CCF and DofE. These experiences enable pupils to develop essential skills such as teamwork, leadership, creativity, resilience and empathy.

We are proud of our strong commitment to the community. Pupils engage in meaningful partnerships with local schools and care settings, and support charitable causes through fundraising and service projects, helping them to understand their responsibilities within both local and global contexts.

Looking ahead, we are excited to welcome our first cohort of girls into Year 7 in September 2026, ensuring that inclusion and community remain at the heart of all that we do.
